The proof lies in the *passion*

HERE, THEIR JUDAISM COMES ALIVE

Through initiatives like the youth minyan and youth kollel, alongside fun trips like bowling and go-karting, we show up for our youth in ways that make Torah feel meaningful, warm and alive.

Passion isn't accidental; it's built through care, unity, and Torah that is sweet.

This is where future leaders are taking shape and the proof is in the way they show up.

**DAVID, 44
LOVES SMOKING MEAT.
ENJOYS VOLUNTEERING ON HATZOLA.**

I've built what I was supposed to build. A career, a home, a family that depends on me. People see me as the rock, the steady one who keeps it all together.

I try to be present for my kids, supportive for my wife but they don't hear the constant pressure humming in the background. The fear of getting it wrong.

I'm exhausted carrying it quietly.
I'm exhausted pretending I'm okay.

I'm David.

I have hope. I have a future.

You're still you, even when things are hard. You don't have to handle this alone.

I KEEP HEARING £250 FLAT FEE. WHAT DOES THAT ACTUALLY MEAN?

Most mortgage brokers charge a percentage of your loan — typically 0.35% to 1%. On a £500,000 mortgage, that's anywhere from £1,750 to £5,000 in broker fees, before you've seen a single rate.

BML charges £250. Flat. Every time. Whether your loan is £150,000 or £2 million.

Here's the part most people don't realise: we make our money from the lender, not from you. When we place your mortgage, the lender pays us a commission — that's how the entire broker industry works.

The £250 isn't our income. It's a commitment signal. It tells us you're serious about moving forward, and it tells you that we take your file seriously from day one.

We could technically do it for free. We choose not to — because clients who are invested get better results.

That's the honest truth of it.

THINK MORTGAGE. THINK BML.

The waiter asked the customer, "How did you find your steak?"

The customer replied sadly, "Well, I just happened to move that crumb of potato, and there it was!"

.....

A kid asks his father, "Dad, can you explain to me what a solar eclipse is?" The dad says, "No sun."

.....

The diner was furious when his steak arrived too rare. "Waiter," he barked, "didn't you hear me say 'well done'?" "I can't thank you enough, sir," replied the waiter. "I hardly ever get a compliment."

.....

When the waitress asked if I wanted my pizza cut into four or eight slices, I said, "Four. I don't think I can eat eight."
