ATELIER

Bespoke Design & Build Ltd
Architecture in Glass

At Atelier BDB, we designed and developed a unique conservatory and glass extension system to give you the ultimate solution: **thermal efficiency performance, solar control glass**, Building Regulation compliance, striking design, abundance of light, and outstanding functionality in premium materials.

The only limit to what we can do with glass and aluminium is your imagination, allowing us to create a range of truly unique **conservatories, orangeries, glazed extensions, verandas, windows, bi-folding, and sliding doors.**

Our engineered portal frames will expand your glass extension and bridge your expectations with new proportions. To make this all possible, we do provide in house, complete, bespoke architectural design and build services from initial consultation through to **survey, planning permissions, structural calculation, and building control** to final completion.

"I recommend Atelier BDB warmly! The team had been very professional and are operating to the highest standards throughout the whole journey - from surveying, through execution and to installation. Any query had been responded and satisfied promptly and had been addressed in reasonable time. I will be looking forward to use them again in the future." **Ran Brodsky**

SPOTIFY ISN'T JUST MUSIC ANYMORE

AND THAT'S A PROBLEM.

DID YOU KNOW SPOTIFY NOW HAS VIDEOS?

Not just music videos, but user-uploaded content, YouTube Shorts, and more. Most parents have no idea. Most kids already do.

FILTERING WON'T FIX IT.

Even with parental controls, inappropriate content still appears - including disturbing thumbnails and unlabeled harmful material. Think twice before letting your child stream freely.

PROTECT YOUR FAMILY. STAY INFORMED.

If you need music, consider exploring safer alternatives that offer enhanced parental controls for a more secure listening experience.

PROTECT YOURSELF AGAINST SERIOUS VIRUSES

Over the last few months, the NHS has been worried about a potential 'quad-demic' with a rising number of people infected with flu, respiratory syncytial virus (RSV), norovirus and Covid-19. These illnesses are unpleasant but for children, expectant women and the elderly, they can be particularly nasty, with some needing hospital care.

2024 saw the busiest year on record for A&E and ambulance services, yet the second week in January 2025 had 256 patients in critical care – 3.5 times higher than the same week last year. RSV, Covid-19 and norovirus cases have remained high, with average hospital admissions up almost 50% in comparison to last year.

Professor Sir Stephen Powis, NHS National Medical Director, said that frontline staff were really feeling the strain and that some of their days at work this winter were "similar to the days at the height of the pandemic."

Flu continues to circulate, particularly affecting infants and young children under the age of 3, due to their developing immune system.

Additionally, there have been several tragic cases of serious illness and complications, which started with flu-like symptoms, in the Charedi community in the UK and internationally.

It is clear that hospitals are under exceptional pressure at the start of this new year, with mammoth demand stemming from this ongoing cold weather snap and respiratory viruses like flu.

IT'S NOT TOO LATE TO GET PROTECTED

Since autumn, NHS teams have delivered over 29 million flu, Covid-19 and RSV vaccines. Those eligible can still get vaccinated:

➡ RSV vaccinations are available antenatally for women from 28 weeks and for adults aged 75-79. Those eligible are encouraged to contact their maternity service or GP surgery to book their vaccine.

➡ Flu vaccinations are available until 31 March 2025. Children aged 2-3 years, children aged 6 months to 17 years with certain health conditions, and adults aged 65+ or antenatally are eligible for a free vaccine through their GP or community pharmacy.

➡ School-aged children can receive the flu vaccine through their school or community clinics.

Unfortunately, there isn't a vaccination or cure for Norovirus. You can read advice on stopping the spread of this virus online at www.nhs.uk/norovirus.

“

We urge whoever is eligible to take up the vaccine offer to protect themselves, their families and the community. If you have questions about any of the vaccinations you have been offered, please talk to a pharmacist, nurse or doctor you trust without the fear of judgement. Understanding the range of vaccinations offered to you or your family, can be complicated, but we are here to help.

”

Dr Tehseen Khan, Clinical Director,
Springfield Park Primary Care Network,
Clinical Advisor, NHS England - London

DON'T FORGET ABOUT IN-SCHOOL VACCINES: DTP AND MEN ACWY IMMUNISATIONS

Many parents ask about how to protect their children from serious disease as they grow older. The DTP (diphtheria, tetanus and polio), and Men ACWY (meningitis ACWY) vaccines are routinely offered to children in Year 9 at school. These booster vaccines provide long-term protection against serious diseases that can cause life-threatening complications, permanent disability or death.

However, some Charedi schools may be unable to participate in the school-based immunisation programme, meaning some children may miss the opportunity to receive these critical vaccines and may not be fully protected into adulthood.

This feature seeks to flag the importance of the Year 9 booster programme, which may not be on parents' or the GP's radar.

If your child's school offers this service, please respond promptly to any information and consent forms sent home, as the vaccines can only be administered with consent.

If your child has missed the in-school offer, or any other routine immunisation, please contact your GP or school for assistance. Alternatively, catch-up community clinics are available where children can receive the Year 9 booster and other routine immunisations.

WHERE TO GET VACCINATIONS

Parents and guardians are encouraged to contact their GP practice to schedule appointments for their child's vaccinations. GP practices are well-equipped to provide childhood immunisations and to support parents and guardians with discussing any additional questions or concerns regarding vaccinations.

My husband had some worrying symptoms. I went through my closet and threw away knee-length skirts and clingy tops. The medical investigations were brought forward and the consultant said it was a miracle it was identified early enough to have surgery without needing any further treatments. Improving modesty brings miracles

SWEET POMEGRANATE Shoulder Roast

INGREDIENTS

1 kilogram (2.2 pounds) beef shoulder roast

salt, to rub and sprinkle

pepper, to rub and sprinkle

3 tablespoons oil

2 onions, thinly sliced

2 tablespoons tomato paste

1 cup Baron Herzog Cabernet Sauvignon or other dry red wine

1 bottle Heaven and Earth Pomegranate Juice (11.2 ounces/330 milliliters)

3 tablespoons honey

Preheat oven to 300 degrees Fahrenheit. Start by patting dry your roast with paper towels. Rub with salt and pepper.

Heat a stainless-steel pan over medium high heat. Add oil. Sear roast on all sides until brown crust forms. Place in an oven-safe baking dish.

In the heated pan, quickly add sliced onions and sauté until light brown and soft. Add tomato paste and mix it in. Add wine. Scrape the bottom of the pan. Let it reduce completely.

Add Heaven and Earth Pomegranate Juice along with the honey. Salt to taste. Let the sauce reduce and thicken to at least half of what it is.

Pour thickened sauce over roast. Cover and bake for four hours, basting every hour. It is ready when a fork can be entered and removed easily.

GBSS has an exciting opportunity for an inspirational leader to become their new Headteacher

The Governing Body of GBSS, a small Jewish faith secondary school nestled in the heart of Gibraltar, is looking to appoint a motivated experienced teacher and leader who can foster a commitment to excellence in education and uphold the values that define our school.

At GBSS, we are dedicated to fostering a focussed learning environment that nurtures the hearts and minds of our students. Our mission is to provide a high-quality education that not only equips students with academic excellence but also deepens their religious knowledge, strengthens their Torah values, and prepares them for further study in yeshiva. We strive to create a supportive foundation that inspires lifelong learning, growth in Torah and mitzvot, and a strong sense of purpose in every student's life.

As Headteacher, you will have a highly visible position, instrumental in shaping the school's leadership and development strategies. Your experience and expertise will be crucial to ensure the smooth day to day running of the school, overseeing the implementation of our strategic objectives as well as being a positive role model for both staff and pupils.

This is a rare opportunity to lead the school in this new phase and take on a critical, stimulating and dynamic leadership role in our fantastic community. We hope you will be inspired to apply.

We are looking for an experienced leader who:

- Is enthusiastic and hard working with high expectations of all learners
- Has a deep understanding and love of learning and teaching
- Is an exemplary and creative classroom practitioner able to inspire good practice in others
- Experienced in curriculum development and improvement
- Will engage effectively, communicate well and build upon positive relationships with students, staff, families and the wider community

In return we can offer:

- A happy and friendly school that is held in high regard by parents and the community
- Children who are well behaved, eager to learn and proud of their school
- A positive atmosphere where purposeful learning takes place
- A dedicated, friendly and enthusiastic staff team
- A supportive governing body who recognise the value of CPD
- Salary commensurate with experience, relocation and accommodation needs

If you believe you have the qualities to take on this exciting challenge, then we would be delighted to hear from you.

Please email your cv to vacancies@gbss.school

Closing date: 21st February 2025

Interview date: Week of 17th March 2025

Shortlisting date: 7th March 2025

Start Date: September 2025

GBSS is committed to safeguarding and promoting the welfare of children and young people and expects all staff to share this commitment. Appointments will be subject to satisfactory Police Vetting procedures.
