Uprooted in France Planted in California

After searching through dozens of clones, soils and planting locations, the Herzog family selected the Musque Clone for their Lineage series. Originating in Bordeaux, France 1962–this uniquely aromatic Sauvignon Blanc is perfectly matched with the rugged soil, clean air and warm climate of Lake County, California. In bringing them together, the family has crafted an elegant Sauvignon Blanc that captures every nuance of the Musque Clone.

92

Herzog Lineage 2017 Sauvignon Blanc, Lake County made from the Musqué clone, has a nose that reminded us of pineapple upside-down cake. Lemon curd aromas meld with grassy notes while vanilla pudding adds a creamy texture to the mid-palate. This unique creature finishes with honeyed apricot.

HIPE_Purim

HIPE stands for Hasmonean Informal Programme and Education. This is a fabulous new initiative, which was launched by Hasmonean across both the Boys' and Girls' Schools and has found its place in the affections of the students.

The aims of the department are to increase both the quality and quantity of informal Jewish studies for all students, focusing on how much we all have to be proud of as Jews. HIPE seeks to develop and promote Jewish identity within the students and the school.

The HIPE teams in both schools want to demonstrate to the students that there is so much more to being Jewish than the rites and rituals of the texts. It's about character, chessed, emunah and how we act towards others and ourselves. Being a young Jew in the 21st century is exciting and HIPE seeks to energise and engage our students showing them that Judaism is a powerful, positive force.

The latest HIPE initiative - HIPE UNITE - will be launched in time for Purim. HIPE UNITE is a crowd funding campaign in which each student will have their own fundraising page, which they can virtually share with family and friends. The money raised, via Charity Extra, will then be split between 19 organisations, to counter COVID-19. Each charity has helped many people, including our own students, both before and during this pandemic. They include Jami, Hatzola and GIFT.

As students can't spiel in the usual way, they will have to use their initiative to persuade donors to part with their money. Groups of students can take a page in the virtual brochure, create recorded online spiels or take on challenges to entertain, just as they would have done in the pre-pandemic world.

HIPE UNITE will go live at charityextra.com/purim on Tuesday 23rd February – Sunday 28th February 2021 (inclusive)
