Matched Funding Campaign

Hasmonean Primary School was founded by Rabbi Dr Solomon Schonfeld z"tl on Chanukah 1946 as part of the Jewish Secondary Schools Movement (JSSM) in the aftermath of a time when attempts were made to extinguish the Jewish light in Nazi Europe. This Chanukah will be the 75th anniversary of the school and we need your help to secure its financial future so that we can continue to keep its light burning for many more decades to come.

Hasmonean Primary School is committed to providing the very highest standards of education of which we are so proud. The money raised with your help will enable us to:

- ♦ Modernise classroom equipment and technology
- ♦ Expand our Kodesh resources
- ♦ Offer more targeted one-to-one support where needed
- ♦ Expand the school's mental health and well-being facilities
- ♦ Upgrade the school building

Let's Talk...

...About Perinatal Mood Disorders

Motherhood should be a joy. But 1 in 4 women suffer from a perinatal mood disorder. Perinatal means from conception to 18 months post-birth. Mood disorders include anxiety, depression, OCD, and birth trauma.

Those affected feel isolated and reluctant to talk about their experience. That's why Menucha was launched to provide advice, support, and understanding.

If you or someone you know could benefit from Menucha, let's talk.

BE A PART OF

EDGWARE'S FUTURE

Our new state-of-the-art building, which will be built adjacent to our current building, is spread over three floors.

The first two floors will consist of eight classrooms, offices, staffrooms, small learning rooms and meeting rooms.

The new School Hall will allow us to hold all school events whilst also servicing the wider kehilla as a local venue for community events and Simchas.

The new modernised accommodations will allow our children to learn and thrive in suitable premises, enabling them to continue on their path of יראת שמים and תורה, עבודה in עליה.
