THE FUNDING GAP WAS £12 MILLION. NOW IT COULD HIT £18,000,000.

Rising costs, cuts to government funding, business rates, and national insurance hikes are pushing schools to the brink.

And while budgets shrink, children lose out - on support, attention, and the basic resources they need to thrive.

Dayan Ehrentreu זצ"ל was the heart and soul of Kollel Beis Aharon; its visionary founder and guiding light from the very beginning. Under his steadfast leadership, the Kollel blossomed into a beacon of Torah and Tefillah for North West London and beyond. His warmth, wisdom, and fatherly guidance is deeply and painfully missed each day. Let us honour his memory by building upon the remarkable legacy he left behind; ensuring that his vision continues to inspire and illuminate for generations to come.

Ivor Smith ז"ל, the devoted lifelong friend of the Kollel, is sorely and deeply missed. His warmth, generosity, and unwavering belief in the power of Torah left an indelible mark on all who knew him. Today, the Kollel bears the name Yitzchok Yeranen in his memory; a testament to the love and commitment he poured into the Kollel. May the continued growth of the Kollel through this campaign bring an עילוי לנשמתו הטהורה

Kollel Beis Aharon is a unique מקדש מעט – a glorious empire of תורה ועבודה in שטייגן.

At its heart stands a vibrant Kollel, where many אברכים sit שקועים בלימודם, devoting themselves with dedication and תורה to עמלות. The אברכים toil in the פלפול חברים בעומק העיון, with סוגיות.

The Son-Rise Program

What Is The Son-Rise Program?

The Son-Rise Program – a truly child-centered approach (children and adults diagnosed with Autism and other related disorders) in which we'll move with your child, instead of going against them. This creates a deeply loving, deeply respectful learning environment, enabling your child to build a joyful connection with the people around them.

Do you feel disheartened to watch your child resist the very therapies designed to help them?

Do you want to help your child in a way that is deeply loving and respectful?

Do you want to break free of cold, clinical approaches delivered with low expectations of what your child can achieve?

What makes The Son-Rise Program so different is that it is the first to suggest that children with these diagnoses have the potential for extraordinary healing and growth.

Son-Rise Program Principles & Techniques

- ✦ Joining
- ✦ Utilizing motivation
- ✦ Creating meaningful relationships
- ✦ Teaching through play
- ✦ A loving and respectful attitude
