EDGWARE

Dayan Ehrentreu shlit"a, the inspiring force and visionary behind the Edgware Kollel, has been at its helm since its inception. Kollel Beis Aharon under his leadership has evolved into a bastion of Torah & Tefilla in North West London. Our תפילה is that this campaign should be a זכות for his שלמה בקרוב!

Ivor Smith z"l, the founder and close friend of the Kollel is sorely missed. The Kollel - **Yitzchok Yeranen** now carries his name. May the continuity of the Kollel through this campaign bring an נשמה טהורה to his עליו!

How do you know if you have **hay fever** or just a **cold**?

While **hay fever** and **cold** symptoms often overlap,

there is one manifestation of pollen allergies that is never caused by **colds** - itchy.

If your eyes, ears, mouth or throat are itchy, it's probably **hay fever**.

The only exception to this rule is the itchy nose that can precede a sneeze in both **hay fever** and a **cold**.

REB DOVID NOACH OLSBERG
Committee Chairman

You are known to be involved in many worthy causes in town. What made you become chairman of this particular committee?

It has been an honor to work with the Rosh Yeshiva, HaRav Yisroel Aaron Schwalbe shlit"a whose passion and understanding of today's bochurim is unique. He has put in all the ingredients necessary for a bochur to really shteig in his learning. Boruch Hashem his efforts have borne fruit with the flourishing yeshiva we see today.

Since when have you headed the committee, was it a recent development?

No. It actually began nearly 7 years ago when the Yeshiva opened with a small

group of bochurim. It has since grown to 3 shiurim with close to 40 bochurim. As well as 13 incredibly devoted Hanhola members, committed to developing the kochos of their talmidim in Torah veyiras shomayim.

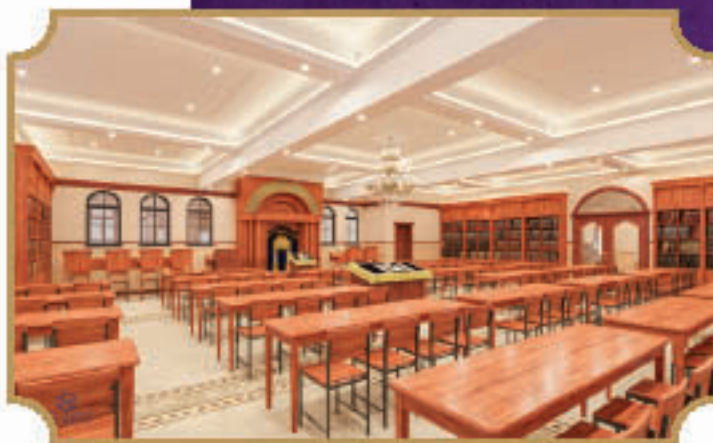

So it must be quite a source of nachas for you to watch the new building develop?

Absolutely! It's been painful to see them cramped into a converted residential house all this time and to be honest, I'm not sure how they managed. There aren't even adequate shiur rooms and the dining room is in a portacabin, which cannot fit all the bochurim at once.

The plan to move into this purpose built Yeshiva building is not a luxury but a necessity.

Apparently they're already at advanced construction stages, is that correct?

Yes, Be'ezras Hashem, with the generosity of Acheinu Bnei Yisroel, a large percentage of the construction has been completed. With the success of the upcoming crowdfunding campaign, they will be able to complete the rest of it.

Do you have a short parting message for the readers?

There's only so much the committee can do. It's really up to you!

I have seen firsthand the extraordinary success of the Yeshiva and concurrently the huge financial burden of daily expenses as well as construction costs. The z'chus of supporting such a choshuve Yeshiva is unfathomable.

This project is particularly close to my heart as I'm a talmid of the Manchester Rosh Yeshiva zt"l and it's so heartwarming to know that after all these years the entire building will once again be filled with the sweet sound of Torah.

May HKB"H repay all those that stand by the Yeshiva's side with *kol habrochos hakesuvos batorah!*
