A large, white plastic milk bottle with a blue cap and a blue and white label is the central focus. The bottle is positioned on a metal production line, with various industrial machinery and pipes visible in the background. The lighting is bright, highlighting the bottle's texture and the label's details. The overall scene conveys a sense of modern, high-tech food production.

I can just be his sister again

Children can take on the burden of family struggles when life is overwhelming at home.

Charity Extra matching funds campaign
Sunday 31 May –
Monday 1 June

At the Jewish Family Centre, we listen for what families may struggle to say.

We hear them and help with counselling, practical support, and people who genuinely care.

So the silence starts to lift, and children can be themselves again.

We help them find support early. Before quiet struggles become overwhelming ones.

Help us break the silence.

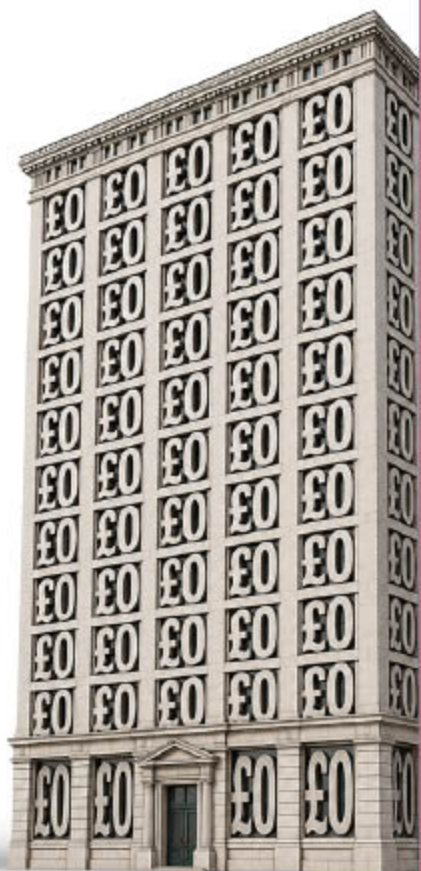

Give a child their childhood back.

I thought this stage of life would be mine.
More time, more ease.

Instead I'm pulled in every direction. I'm proud to be the heart of my family, the one everyone turns to for meals, advice, and support. I hold three generations together. I love them all fiercely and I am so grateful. But I'm tired. Bone deep tired.

I'm exhausted being everything to everyone.
I'm exhausted pretending I'm okay.

I'm Chava.

I have hope. I have a future.

You're still you, even when things are hard. You don't have to handle this alone.

A waiter approached a man studying his menu carefully in a fancy restaurant one evening. "May I take your order, sir?" he asked. "Well, I was just wondering how you prepare your chickens."

"Oh, it's nothing too special, sir," the waiter confided. "We just tell them straight out that they're going to die."

A waiter brings the customer the steak he ordered, with his thumb over the meat. "Are you crazy?" yells the customer. "What's with your hand on my steak?" "What," answers the waiter, "you want it to fall on the floor again?"

Diner: How often do you change the tablecloths here?
Waiter: I don't know, sir, I've only been here six months.
