DEALERSHIP WITH EXCELLENT POTENTIAL

1. We are a clinic for natural medicine; and we also produce our own herbal supplements in capsule form.
2. The dealership is for capsules. We have a range of 60 titles.
3. We have been selling these supplements on a week-to-week basis for the last ten years .
4. The capsules are herbal mixes for varying common conditions based on formulae found in classic works of herbal medicine and our adaptations based on experience.
5. The capsules have been selling reliably for over ten years for one reason and one reason only – they work!!!
6. So far as we know we are the only producers of mixes of this kind. Other producers offer single herb capsules only. Herbal mixes are far more effective.
7. We also sell to an American wholesaler. His last order was for 1200 units.
8. The distributorship we offer gives the distributor virtual freedom to sell by all methods virtually everywhere in the world.
9. We are sure this offers huge potential, given that pharmaceuticals are a multi-billion business; the supplements market is now fast growing owing to increasing need and increasing difficulty in getting GP and hospital support; AND WE HAVE A GOOD PRODUCT.
10. We will offer generous profit margins to make the distributor venture well worthwhile. However, we ask the distributor to purchase from us and re-sell.
