Sorry, we can't help you.

If you want a mattress from certain famous brands, we can't help you.

Here's why:

Over the years, some famous brands have begun cutting corners in their manufacturing process, and their mattresses are no longer as long-lasting as they used to be.

We only stock brands we're confident in.

There's lots we
CAN help you with!

What do the perfect pastas, paninis, pizzas, and platters have in common?

Crafted in Italy's northern Piedmont—where flavor takes the scenic route. With real basil, sundried tomatoes, and cold-pressed olive oil, it's tradition in a jar—stirred slow, finished bold.

This isn't just a pasta topping. It's your go-to ingredient for

elevating everyday meals. Toss it with noodles. Spread it on crusty bread or sandwiches. Drizzle over grilled vegetables, swirl into soups, or spoon onto pizza straight from the jar. Blend it into salad dressings, grain bowls, scrambled eggs—even dollop it on top of

grilled fish or chicken for an instant upgrade.

Straight outta Piedmont, straight onto your pizzas, pastas, paninis—any dish, perfected.

*Taste Tuscanini.
Know Italy.*

FUN ACTIVITIES

THE NW LONDON
LOCALNEWS

Sudoku Rules:

The game is played on a 9x9 grid, divided into nine 3x3 smaller boxes. Some numbers (1-9) are already filled in as clues.

The goal is to fill in all the empty squares so that:
Each row contains the numbers 1 to 9, with no repeats.
Each column contains the numbers 1 to 9, with no repeats.
Each 3x3 box contains the numbers 1 to 9, with no repeats.
Every number 1-9 must appear exactly once in every row, column, and 3x3 box.
There is only one correct solution to each puzzle.
