I'm Shimmy

I enjoy playing football and have some friends. I'm extremely lonely and I don't see the point in school. We finish soon but then everything feels like it's spiralling out of control because I won't have any routine. Controlling what I eat seems to create a good structure. No-one knows how I feel inside.

You shouldn't have to carry it alone. Let's talk.

This was our first holiday that the whole family was able to travel together. With all our luggage securely packed in the Roadtrip Kit on top of our car there was no need for half the family to travel by train. Thank you so much for a great product.
B.S.

It was an amazing product! Wherever I went people went crazy over it. It was very easy installing it on the car and had plenty space for all our luggage. Thanks it was an amazing experience!

I was in Kent on Greatstone Beach.

BEST BUY!!! ☆☆☆☆☆
I have used this roofbox on a long journey and find it is great value. I drove on full speed and I found it very safe and secure. It's extremely compact, easy to fit and easy to store.
M.L.

As a family of seven, most of our stuff fit in the bag so we were able to seat everybody in the car with comfort. We had a long drive to our destination and some of the time was pouring rain, upon arrival our stuff was as dry as it was when packed.

Roadtrip Kit has surpassed all our expectations way better than we thought it would be, extremely spacious and easy to use and packed away in the storage bag during our holiday. We travelled cross country trip from London to the French Alps and the bag was just as sturdy at the end of our 16 hour journey as it was at the beginning. Would definitely recommend
5 star. M.G.

It's excellent. I recommend it to anyone!

Feeling Normal? Trust Your Instincts

Things often seem very different when you're pregnant, and that's usually okay. But not always...

- ? *Does the way you're thinking or feeling seems unusual for you?*
- ? *Has your functioning has been affected for two weeks or more?*

If you can answer "yes" to both these questions, listen to your intuition: you may be experiencing a Perinatal Mood Disorder.

Menucha provides understanding, non-judgmental advice, specialised therapy services, and referrals. If we can help, *let's talk*.
