SING AT HOME WITH JKARAOKE!

WWW.JKARAOKE.COM

1. Who are we?

Hello there! We are jKaraoke.

Unseen to the global Jewish market before, jKaraoke gives one and all the platform to belt out, from the comfort of their own home, thousands of their favourite Jewish Karaoke songs!

Perfect for every occasion, jKaraoke will keep the kids, grandparents, and everyone in between, entertained for hours!

2. What was the inspiration behind jKaraoke?

jKaraoke was both a lockdown inspiration and project, which has been in the works for almost 2 years! Yehuda from London, a member of the jKaraoke team, noticed a gap in the Jewish market for some fresh and kosher home-entertainment for himself, his family, and the kids. 3 UK Lockdowns, 2 US Presidents and thousands of hours later... jKaraoke emerged!

3. Who will use this product? How many songs are available?

We have built jKaraoke with everyone in mind. Suitable for all ages, you will be amazed by the huge selection of songs available to you, from Hava Nagila to Vehi Sheamda, we even have nursery rhymes for your little ones... There are over 1,000 songs available to sing from online! New music is added daily!

4. How does jKaraoke work? What do I need to get started?

All you will need is a home device (PC, Mac, Tablet, Smartphone etc..), jKaraoke Kit + Mic, an internet connection (on occasion), and some speakers.

Power up your kit, plug in your Mic and connect to your home device and speakers, visit jKaraoke.com and sing away! A subscription is required.

For that extra fun, why not sing along with a friend using the second Mic. Kits, Mics and Subscriptions are all available online.

Please visit jKaraoke.com

5. How much is it?

To get the most out of jKaraoke, and to have that thrilling 'superstar' feeling, we advise purchasing a jKaraoke Kit and subscribing to a plan that suits you!

Kit + Subscription (Most Popular): For just £99.99 you will receive 1 x jKaraoke Kit, 1 x Mic

and 1 x Full Year Subscription with access to thousands of songs on jKaraoke.com. You can pick up an extra Mic for just £17.99 when purchased with a Kit.

Gift Option: You can even purchase the Kit + Subscription package as a gift for a loved one for that special occasion.

Each kit purchase comes with a free 30-day Activation Code to use within 3 months of your jKaraoke Kit purchase.

6. What type of music? How many singers?

jKaraoke boasts a varied selection of songs from multiple Jewish Artists, genres, and styles. Genres on jKaraoke.com include Hassidic, Modern, Israeli, Traditional and much more! There are over 1,000 songs, and hundreds of Jewish Artists to sing from on jKaraoke.com

7. Where can I buy my jKaraoke Kit?

You can buy your kit and mics from either jKaraoke.com or your local Jewish stores (subject to availability). Subscriptions are only available on jKaraoke.com

8. Chanuka 10% OFF CODE

Yay! You made it to the end... At checkout, apply the code below to receive 10% off your order this Chanuka ONLY! Available until the last day of Chanuka 2021...

A PROUD PAST A BRIGHT FUTURE

5-6 December 2021

Matched Funding Campaign
www.charityextra.com/HPS75

Hasmonean Primary School was founded by Rabbi Dr Solomon Schonfeld z"tl on Chanukah 1946 as part of the Jewish Secondary Schools Movement (JSSM) in the aftermath of a time when attempts were made to extinguish the Jewish light in Nazi Europe. This Chanukah will be the 75th anniversary of the school and we need your help to secure its financial future so that we can continue to keep its light burning for many more decades to come.

Hasmonean Primary School is committed to providing the very highest standards of education of which we are so proud. The money raised with your help will enable us to:

- ♦ Modernise classroom equipment and technology
- ♦ Expand our Kodesh resources
- ♦ Offer more targeted one-to-one support where needed
- ♦ Expand the school's mental health and well-being facilities
- ♦ Upgrade the school building

Let's Talk...

...About Perinatal Mood Disorders

Motherhood should be a joy. But 1 in 4 women suffer from a perinatal mood disorder. Perinatal means from conception to 18 months post-birth. Mood disorders include anxiety, depression, OCD, and birth trauma.

Those affected feel isolated and reluctant to talk about their experience. That's why Menucha was launched to provide advice, support, and understanding.

If you or someone you know could benefit from Menucha, let's talk.

ARE YOU LOOKING FOR A CHESS COACH?

I have an individual approach to all my students. I start off by assessing my students strength and then make a program specifically for their level of play. It's important for me to make the lessons interesting, rich with content, engaging and fun.

I offer classes & private lessons - for beginners and all levels.
I also do virtual classes on zoom

GRATEFUL

חן לן לאדם שיכיר ויגמול חסד למי שעשה עמו טובה וחניון מצוה

When R' Elyashiv needed heart surgery at the age of 102, there was no one in his family who was confident enough to operate. Instead, he called Dr Daniel Clair with his team of doctors over from America. The doctor met R' Elyashiv and came to speak to him with an interpreter who spoke the other's language. To his surprise, at his advanced age, R' Elyashiv's mind was sharp and the surgery was a success. R' Elyashiv returned to the USA with his team. R' Elyashiv learned how to say 'Thank you' in English. He practised many times before the doctor left, R' Elyashiv turned to him and said, 'Thank you very much.' People were surprised that R' Elyashiv took the time to say thank you in English. When asked this of someone, you can't do it through a middle man. It has to come from your heart!"
