Q & A

Question

Who was the Tzimmer built for?

Answer

Any couple across the entire spectrum of Klal Yisroel - Chassidish, Yeshivish, Modern Orthodox and everyone in between from anywhere in the world, experiencing difficulties in the area of infertility or pregnancy loss.

Question

So that means that you have hosted couples from London?

Answer

Of course, besides for the English couples living in Eretz Yisroel, we have hosted couples who come to Eretz Yisroel to use the medical facilities and come to the Tzimmer to recuperate.

Question

How much do couples pay?

Answer

The couples are charged a nominal fee per night, this is just to ensure that they don't feel that they are a recipient of Tzedakah, but does not even cover our basic running costs, think: water, electricity, garden maintenance, cleaning, taxes etc.

Question

So that's what you are raising funds for?

Answer

Yes, but it has also come to our attention that we desperately need to expand our services by:

1. Providing meals for couples in the Tzimmer, especially those that come directly from the hospital.
2. Extending the Tzimmer to those unable to travel by bringing the Tzimmer to them in the form of meals and care packages being delivered to their home.
3. The development of further premises so that we can stop turning down so many couples week after week.

I am delighted to associate myself with a wonderful undertaking that my dear son Rabbi Shmuel Falk and his dear wife Chana have embarked upon. This is the creation of a dwelling especially designed to serve as a getaway over a long weekend for couples that have been married for a number of years and are experiencing fertility problems. Such couples have a need to get away every now and again to a quiet secluded spot where they can relax and stroll and not be met by acquaintances. Such a weekend invigorates them and enables them to bear their situation with strength and fortitude.

This small dwelling will be called "קרן אור" - a ray of light which is exactly what it will be to the many couples that will use it. It will be maintained by my son and daughter-in-law who have put their heart and soul into bringing this dream into a reality. It is self understood that they need to be assisted with funding for the building work and for the furnishing of such a "home away from home". Hence, it is hoped that the many בעלי חסד who will certainly appreciate the great value of this venture will help lessen the financial burden.

Wishing this venture great *Siyato d'Shmaya* and *Brocho*. Also I wish that the *Zechus* of this great *Mitzva* should stand as a great source of *Brocho* and *Simcha* to my dear children who are behind this special venture.

TO WHOM IT MAY CONCERN

I wish to recommend the organisation **Keren Ohr** set up by Rabbi and Mrs Shmuel Falk in Eilat Yisrael to enable couples who need to recuperate from intensive fertility treatments, and for people who need to recuperate after a miscarriage. This is something that is of great importance and clearly a great necessity. They have had the courage to take on setting up this project, starting with a small unit which is in the process of being built.

At present there is a capacity for only one couple, but there has been great pressure on them to enlarge that to enable more people to make use of the facility due to the demand.

Please give them every support with warmth and generosity so that they can complete successfully the first small phase of the project, and then build on this to expand, to fill the need which is clearly there. In the merit of this great mitzvah, may we all be rewarded with much nachas and simchas in our homes.

שלכם וישראל

Keren Ohr was strongly supported by two of England's leading and sorely missed Poskim -

Harav Pesach Eliyahu Falk זצ"ל and **Harav Osher Yaakov Westheim זצ"ל**.

They, amongst many other Rabbonim, expressed how crucial this project is from their experience in guiding couples facing this challenge.

With your partnership, he can.

Thanks to Klal Yisroel's support, the farmers of 520,000 dunam across Eretz Yisroel have already committed. The remaining 160,000 needed is up to you. Shmitah is on the horizon and time is running out. Your partnership determines if these farmers will commit. Partner with a farmer today at kerenhashviis.org

Pine Needles contain a high level of vitamin A which makes it wonderful for the skin and its extremely high levels of vitamin C (in fact several times more than that of a lemon or a glass of orange juice) and other minerals like magnesium and beta carotene, B vitamins, as well as a host of antioxidants. Pine Needles are the best natural source of Suramin & Shikimic Acid, the main ingredient in Tamiflu or influenza medicine or flu vaccine and are used to prevent blood clots, protect your DNA and RNA, improve circulation and regulate blood pressure. Nature's immune booster and wonderful cure.
