who may require a GP consultation over Yom-Tov.

Instead of traveling to an A&E department, one can just
walk into the clinic and be seen by a GP and receive
prescribed medicine if needed, so the patients and their
families can avoid wasting hours of travel and disruption
and minimize *chilul yom-tov*.

This is a lifetime mortgage. To understand the features and risks, please ask for a personalised illustration. Check that this mortgage will meet your needs if you want to move or sell your home or you want your family to inherit it. A lifetime mortgage may impact your entitlement to means-tested benefits and the inheritance you may leave. If you are in any doubt, seek independent advice.

A fee may be charged for equity release advice. The exact amount will depend on your circumstances, but we estimate this will be £1,495 on completion.

Spring marks the season of rejuvenation, symbolizing new beginnings and fresh starts. With the approaching Pesach Bein Hazmanim, many eagerly await the return of the Bochorim. However, amidst the excitement, we confront the stark reality of the shidduch crisis, a challenge that transcends boundaries, affecting us all.
