# Point of View

To Submit a letter please email  
pointofview@localnewsadvertiser.co.uk

Dear Reader,

Last week I went out delivering GGBH (Munks Shul) flyer with my wife and daughter, Driving up and down the streets it is amazing to see how many houses are not properly lit showing the number of their houses. I needed to do a lot of leg work to see where I was in order to find the house that I needed.

I would ask everyone to stand outside their houses and ask themselves; can the number of my house be clearly seen from the road?

If not, I would suggest they pay Shuttlers in Bridge Lane a visit to buy the number of their house and stick it on their front door which would help the emergency services and others.

## HANUKKIAHS FOR ALL!

It seems our campaign for Hanukkiah touched many of you last week. We're so grateful that children never before exposed to Yiddishkeit got to light their first Hanukkiah!

**Thanks to you Netanel not only lit his Hanukkah, he discovered he was linked to the Chofetz Chaim!**

Netanel Zablonov was with Morah Leah talking about what being a Tzaddik truly means.

He then asked if there were any Tzaddikim who shared his name. She didn't know and asked her husband. After he told her that the Chofetz Chaim's personal Sofer was called Nesanel HaSofer she told Netanel. He jumped for joy and now insists one day he too will be Netanel Hatzaddik!

**Hanukkah may be over, but your generosity will not be forgotten!**
