Camp Simcha
MAKING A
DIFFERENCE
FOR SERIOUSLY
ILL CHILDREN

36HR URGENT APPEAL • 5-6 FEBRUARY

BE THE LIFELINE MAKE THE DIFFERENCE WITH YOU, WE CAN

For many families who have a seriously ill child, the cost of living crisis following two very difficult pandemic years, is almost too much to bear.

The devastating emotional, practical and financial toll of caring for a child with a complex medical condition, means more and more families in our community are needing Camp Simcha's vital support.

We need to raise £2.8million this year so we can continue to be a lifeline for these families - providing life-changing practical and therapeutic help, as well as bringing hope and joy at the darkest of times.

ROSH HAYESHIVA

A native of Woodmere, NY, **Rabbi Michael Feder** learned in Yeshivas Mir Yerushalayim and studied under HaRav Yaakov Friedman shlita in Yeshivas Birchas Mordechai for over a decade. He subsequently served as a maggid shiur in Yeshivas Nesivos Ahron for ten years.

OUR MISSION

The growing number of English speaking young men studying in Eretz Yisroel has created an unprecedented need. There are many who wish to continue learning in Eretz Yisroel whilst simultaneously pursuing a study course or training for a pamosso. Unfortunately, these young men must often choose between remaining in an environment of Torah & growth or pursuing their careers in a totally different environment. Mishkan HaTorah is the first yeshiva to fill this need. It is a high-level yeshiva which works hand in hand with some of the top graduate programs for English speakers in Eretz Yisroel, and also offers training opportunities.

Located on a beautiful new campus in the Morasha neighborhood of Jerusalem, just outside the Old City Walls. Mishkan HaTorah is minutes away from the light rail and the City Center. On-campus services include sports facilities, a beautiful dining area, and a newly-renovated beis medrash. Here, these idealistic, self-motivated young men will find like-minded peers with whom they can continue to grow in Torah, middos and tefilah, while they develop themselves whilst training for parnassa opportunities.

Since giving birth I'm
having flashbacks,
nightmares, anxiety,
and panic...

You may have
Birth Trauma.

Let's Talk About Birth Trauma

Birth Trauma affects 30,000 women each year in the UK.

When giving birth has been frightening, maybe due to unexpected or alarming events, mothers can suffer PTSD (Post Traumatic Stress Disorder). Sometimes, but not always, triggered by reminders of the birth, they can experience flashbacks, high levels of anxiety, even panic attacks; all of which can harm bonding with baby. Husbands affected by the birth can also experience PTSD.

Motherhood can be a joy, so Menucha is here to provide understanding, non-judgmental advice, specialised therapy services, and referrals. If we can help, let's talk.
