"It was perfect. Thank you so much! Everyone had a fabulous time, children and adults."

"We had a great experience using the JFC for our daughter's birthday party. The ease of booking and communicating with the team was excellent. They answered all my questions and made everything perfect and exactly as we wanted on the day. The space was clean and organized for our party and everyone had a fabulous time."

"Hiring the Centre was a pleasure from beginning to end!! Many thanks to Tamara for being so helpful all along."

"It was such a fun place to make a family get together. Plenty of toys and place for the kids to play while the adults could relax and enjoy each others company."

About the Event

What is the Dirshu Event all about?

APPLE BOUREKAS WITH *Silan Sesame Drizzle*

INGREDIENTS

- 1 can Gefen Apple Pie Filling
- 1 package 5- by 5-inch puff pastry squares, thawed
- flour, for dusting surface
- 1 egg beaten with 2 teaspoons water, for egg wash
- sugar for sprinkling
- 1/2 cup Mighty Sesame Tahini
- 2 tablespoons Galilee's Delicacy Silan
- 1 teaspoon confectionary sugar
- 1/4-1/2 cup warm water, for consistency
- 1 teaspoon black sesame seeds, for sprinkling

Preheat oven to 200 degrees Line two baking sheets with Gefen Parchment Paper; set aside.

Place thawed puff pastry on a floured surface. With a rolling pin, roll out so the pastry is an even, thin layer, about one-eighth-inch thick.

Repeat with remaining squares.

Place a few slices of apple from the pie filling in the bottom right hand corner of each square, leaving a small border.

Brush egg wash onto the edges of each square, then fold the dough over, making a triangle. Use a fork to crimp the edges, stretching the dough over the fruit as needed. Just be gentle, so the pastry does not break.

Brush additional egg wash over bourekas; sprinkle with sugar. Place bourekas onto prepared baking sheets; bake for 30 minutes, or until pastry is golden brown. Remove from the oven and allow to cool.

Dear Friends,

Life has presented my son with many challenges. While he has made some good choices, he has also taken missteps that brought him to a very low point last year. It is only through Hashem's immense kindness that he was spared from an even worse outcome.

Baruch Hashem, my son is now determined to rebuild his life. He is learning in a yeshiva in Eretz Yisroel renowned for its success in helping young men turn their lives around. In this nurturing environment, he is thriving and making remarkable progress toward a brighter future.

However, the financial burden of supporting his studies is beyond what we can manage. Our modest income barely covers the basic needs of our family, and we are already shouldering £40,000 in chinuch fees for our other children. Unfortunately, this leaves us unable to afford the £20,000 required for his yeshiva.

Turning him away from this opportunity due to financial constraints would have devastating consequences for his future—and potentially his life. This is truly a case of pikuach nefesh. Your partnership in this mitzvah could transform not only my son's life but also the wellbeing of our entire family.

Local Rabbonim are aware of our situation, and we have sought and followed their guidance. If you are able to help, please email bwkodesh@gmail.com for details on how to contribute.

May Hashem bless you with abundant nachas, bracha, and the fulfillment of all your tefilos l'tova.

With heartfelt gratitude,

A Caring Yiddishe Mother
