BUILD YOUR TEAM WITH TEAM PLAYERS

Successful businesses aren't built by
constantly replacing people.

THEY'RE BUILT BY FINDING PEOPLE WHO STAY.

Who care and grow with the business.

That's why EmployIL professionally recruits **remote British talent** in Eretz Yisroel for
businesses looking to build strong, dependable teams for the long term.

Because the real value of a great hire isn't just what they bring on day one. It's the
commitment you're still grateful for on day 1,000.

No office costs. No overheads. Just remote staff that work, at a clear hourly rate.

ALL YOUR QUESTIONS, ANSWERED.

WHAT IS BRCA?

BRCA1 and BRCA2 are genes that can increase the risk of certain cancers when altered. If you have a family history of cancer, ACS can help you understand whether genetic counselling or testing may be appropriate.

WHAT IF I'M WORRIED ABOUT SYMPTOMS?

Many gynaecological symptoms are harmless—but persistent changes should never be ignored. Reach out to ACS if you have any concerns.

CANCER RUNS IN MY FAMILY. SHOULD I WORRY?

Not necessarily—but it's worth understanding your family history and whether it may increase your risk. Contact your GP or give us a call to see whether BRCA testing is the answer for you.

WHAT SUPPORT DOES ACS PROVIDE?

From medical advocacy, diagnostic funding and second opinions to emotional support groups and practical guidance, ACS is here for every step of the journey.

**DAVID, 44
LOVES SMOKING MEAT.
ENJOYS VOLUNTEERING ON HATZOLA.**

I've built what I was supposed to build. A career, a home, a family that depends on me. People see me as the rock, the steady one who keeps it all together.

I try to be present for my kids, supportive for my wife but they don't hear the constant pressure humming in the background. The fear of getting it wrong.

I'm exhausted carrying it quietly.
I'm exhausted pretending I'm okay.

I'm David.

I have hope. I have a future.

You're still you, even when things are hard. You don't have to handle this alone.

WHILE YOU SWITCH OFF FOR THE HOLIDAYS, SHOULD YOUR BTL MORTGAGE STOP TOO?

The holidays don't slow your deal down. Not on our side.

We chase your solicitor. Daily, by phone and email, because a solicitor who goes quiet costs you money.

We liaise with the lender. When a query comes back, we're on it the same day – no waiting for the new season.

We coordinate every moving part – solicitors, lenders, valuers – so nothing falls through the gap while offices are half-empty.

And it doesn't matter where in the world you are. On a beach, on a plane, three time zones ahead – **the work carries on without you.**

Because completing one day sooner can save you a full month's costs. **We treat every day like it matters.**

So switch off. We've got it handled.

THINK MORTGAGE. THINK BML.
