KERESZTÜR TOKAJI
LATE HARVEST 2021

The Keresztur Tokaji is a signature late harvest wine which is crisp, lively & smooth. This subtly balanced light straw wine exudes the charms of the historic Tokaji region and its typical grape, elaborated through its time-honoured methods of winemaking.

This wine is not only from an esteemed, historic wine estate, but also the surroundings of the famous village of Bodrogkeresztúr, which is a place of reverence, as it was the home of an iconic Saint and Sage, The holy Reb Shayele Kerestirer zt"l

ENABLING GROWTH

SERVICE PROVIDER

“Simon came into our company and was able to pinpoint what we needed to do to move forward. He helped us restructure the team and streamline the work. He introduced new programmes which has eased the workload and enabled us to concentrate on the important stuff. His personal and friendly approach made the whole experience ever more enjoyable and successful.”

MR, Finance Sector

“After one long session I already felt understood and had some structure in place. I now understand what staff I need and the processes I need to grow the business. I am finding more space in my own life and feel more empowered. We are now working together to accomplish our goals.”

MG, Healthcare Sector

PROPERTY

“Meetings with Shimon ensure we are dedicated and focused on the right issues to keep progressing and pushing the limits while maintaining our current high standards. We continue to benefit from his outsider's viewpoints and expansive experience!”

Woodberry Management

“Shimon provided an excellent service and provided many interesting insights into our business. I can't recommend his services enough!”

AL, Property Maintenance Sector

NOT FOR PROFIT

“Simon was extremely helpful in creating a business plan for our organisation. With a very patient approach he managed to get us to focus on where we have come from and has guided us how to move forward in an effective and manageable manner. He showed much interest in the organisation which encourages us to continue doing the wonderful work we do!”

Special Spirits

“Our experience was exceptional and consistently over delivered. A lot of time was spent listening and understanding how our organisation works and together with senior managers set a clear vision for growth. A practical plan was then drawn up with much attention to detail. The results were beyond our expectation!”

OYY Lubavitch School

E-COMMERCE

Warning: Myth Alert!

I'm so ashamed; I don't love my baby. I know I should, but I just don't. I'm a terrible person.

Let's Bust:

Bonding Myth Number 1

Not everybody loves their baby from the moment they're born. In fact many mothers (and fathers too) experience this. The love may take a while to come.

A new baby can be overwhelming, leaving parents unsure how to interact with something that can seem strange and alien. Patterns of crying or sleeping may make no sense; it can feel like being lost in a foreign country with no map. This leads to worry, guilt, and stress; feelings that – if ignored – can harm the baby-parent relationship, as well as feeding mood disorders like anxiety and depression.

Motherhood can be a joy, so Menucha's support, advice, and therapy like Parent-Infant Psychotherapy (PIP) are all designed to help parents form a healthy attachment to their baby.

www.menucha.info

Under the guidance of Rabbi S F Zimmerman and endorsed by local Rabbonim.

Menucha is here to provide understanding, non-judgmental advice, specialised therapy services, and referrals.

A close-up, vertical photograph of a baby sitting in a macramé swing. The baby is smiling and looking towards the camera. They are wearing a light-colored dress with a small floral pattern. The swing is made of light-colored wood and cream-colored macramé. The background is bright and out of focus, suggesting an outdoor setting. In the bottom left corner, there is a light blue circular graphic containing the text 'from Babies to Teens' in a cursive font. In the bottom right corner, there is a solid purple circle.
