This is a lifetime mortgage. To understand the features and risks, please ask for a personalised illustration. Check that this mortgage will meet your needs if you want to move or sell your home or you want your family to inherit it. A lifetime mortgage may impact your entitlement to means-tested benefits and the inheritance you may leave. If you are in any doubt, seek independent advice.

A fee may be charged for equity release advice. The exact amount will depend on your circumstances, but we estimate this will be £1,495 on completion.

Park Hill Equity Release Ltd is an Appointed Representative of The Right Mortgage Ltd, which is authorised and regulated by the Financial Conduct Authority (FCA). Registered in England and Wales no. 14358326. Registered Address: Wohl Enterprise Hub, 2b Redbourne Avenue, London, N3 2BS.

Even if you're under 40 and not a tzaddik, this is why you should learn the Zohar, especially in our times:

1. "Because of this work, the Book of the Zohar, [the Jews] will be redeemed from exile with mercy." - *Zohar, III:124b*
2. "Through the study of the Sefer HaZohar the merit of Rabbi Shimon Bar Yochai and his companions will protect him." - *Sefer Zechira LaChayim 14 (Rav Chaim Palagi)*
3. "The study of the Sefer HaZohar saves a person and his family from plagues and troubles." - *Imrei Pinchas, Shaar 6 (Rav Pinchas of Koretz)*
4. "The study of the Zohar HaKadosh in our times is very necessary to protect and save us from all evil." - *Hakdama L'Etz Chayim (Rav Yaakov Tzemach)*
5. "It is already known to you the great level of the study of the Zohar HaKadosh that annuls many evil decrees and sufferings and death and the sword from the world."
- *Rabbanim of Yerushalayim, Iyar 5681, in a statement calling for more Zohar learning*
6. "The study of the book of the Zohar is a great help to purify and to bring sanctity to the soul and even if one doesn't know what he is saying and makes many mistakes while reading, it is of great importance to the Holy One Blessed Is He."
- *Pele Yoetz, Zohar (Rav Eliezer Papo)*
7. "It is a great obligation incumbent on all Israel to study the Zohar HaKadosh every single day...and there is no limit to the greatness of his reward..."
- *Tzavaat Rav Meir Schwartz of Faidhotz*
8. "I asked the Vilna Gaon what is the proper way to fulfill the obligation which our Rabbis spoke about and he told me that I should study the Sefer HaZohar and Shaarei Orah."
- *Siddur HaGra, Orchot Chayim 15*
9. "And so said the Tzaddik, the Gaon, Rav Shlomo Bloch in the name of his teacher the Chafetz Chayim, that regarding the study of the Sefer HaZohar there is no limitation whatsoever because most of it is Midrashim, and so the Chafetz Chayim used to promote among everybody to study the Zohar HaKadosh every Shabbat, according to the parasha of that Shabbat and he even encouraged the young unmarried men." - *Hosafot Binyan Yosef*
10. "And from the year 5300 it is a mitzvah min hamuvchar that the multitudes, great and small, should occupy themselves with the Sefer HaZohar as it is brought in the Raaya Mehemna [section of the Zohar]. And given that through this merit and through none other will the Melech HaMashiach come, we should not delay. And he whom Hashem graced with the merit to study this wisdom will have a taste in this world of the World to Come."
- *Ohr HaChama, Hakdama (Rav Avraham Azulai)*

For new Zohar learners, it is recommended to only learn the Zohar pieces in the Sefer Chok L'Yisrael. (And always remember to do teshuvah!)

may be for you.***

Our English-speaking program in Zurich, Switzerland with dormitories, has a few spaces left for additional participants.

The day begins with shachris and morning seder. In the afternoon we offer help with employment opportunities, and the evenings are dedicated to learning with local boys of a similar age group.

Through learning, working productively, and giving to others, we have seen boys gain simchas hachaim, confidence, and purpose.
