I don't have a website, won't show you the car until I have had a week to repair damage and fix, sorry not VAT registered, no finance or credit cards, no Google reviews, don't share Japanese auction paperwork, that is how I keep my prices low, but "I supply the Jewish dealers including Mark from VIP Motors so you can trust me".

140k km, pet, engine noise, repair history!!

Vehicle notes: ##Repair history##, C interior implying fairly dirty or some wear or smells, windscreen cracked, repaired, dirty inside, scratches inside, wear inside, door mirror(s) scratches, pet hair inside, dent repaired, alloy wheel(s) scratches, left sliding door not working, engine noise, minor scratches, dents, marks as per map

VIP by Atlan Motors

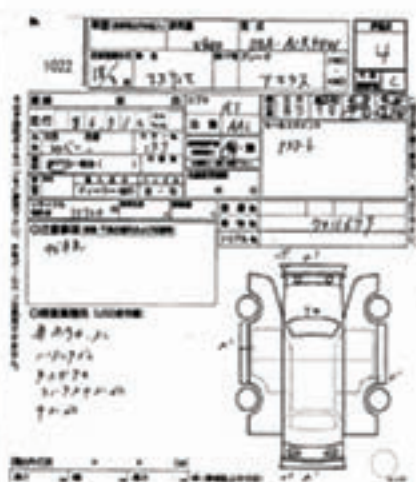

Toyota Estima 2006 only 54k miles
amazing condition £6200

We have a website where you can see photos of condition in auction, you are welcome to view vehicle on arrival, share Japanese docs proving mileage and condition, VAT registered, find us on Google and see our amazing reviews. We take payment card, arrange finance and warranty. **We don't touch anything with engine issues, damage history, and fake miles!!**

87k km, no pet, good engine, no damage history!!

Vehicle notes: Original alloy wheels, power steering, Nav, air bag, push start, Grade 4, Interior C, rear spoiler faded, bonnet paint fading, front bumper scrape, marks as per map

WARNING

We have heard many reports of other dealers (not from the community) claiming they supply VIP Motors. Since we started importing our own vehicles 1.5 years ago

WE DO NOT TOUCH VEHICLES OF ANY OTHER IMPORTER!

Don't buy from anyone that can't (doesn't want) to show you original paperwork on a live Japan auction website (printed out spec sheets are easy to change, and NO, a BIMTA certificate is not good enough!!)

Be a part of Census 2021

**Census Day is Sunday
21 March 2021. You'll receive
a pack to let you know how
to take part.**

www.census.gov.uk

Making sure you count in Census 2021

The census is here and it is vital that our community takes part.

Run by the Office for National Statistics (ONS), the census is a once-in-a-decade survey that gives the most accurate estimate of all the people and households in England and Wales.

You'll get a letter inviting you to take part in early March. Census day is 21 March 2021, but you can fill in your form as soon as your letter arrives.

Avoid the Pesach rush!

How do I take part?

Every household will get a letter in the post with a unique 16-digit access code which allows them to log on to the website.

Would you rather fill in a paper form? Call the Census Contact Center free on **0800 141 2021** to order one. If there are more than five people in your household, you will also need to ask for continuation forms.

A safe and secure census

You can trust that your information will be safe once you've given it to the census. The ONS has a strict security regime that follows government standards. Published statistics contain no personal information, so individuals can never be identified.

Census 2021 is a great opportunity to make sure everyone's counted when decisions are made about services for our community.
