Menucha Milestones 1 to 5: Shhhhhhhh!

I was worried about
confidentiality –
I needn't have been.

Protecting Your Confidentiality

We know confidentiality is a big worry for most women, that's why it's at the heart of our work with you – right from the very beginning.

When you call our Information & Referral line you don't have to give your name. In fact you only need to do so when you've decided to join the Menucha programme. Quite often a woman will be speaking to a case manager for a few days before making the decision to come on board – and that's okay, we understand.

When you join the programme, your case is given a 4 digit number. The only people that can ever access your personal details are those directly involved in your care: your Case Manager, Therapist, and Care Coordinator. Even your allocated Therapist and Care Coordinator will only be given your details after we've checked you are comfortable with them.

If you are facing the challenge of a perinatal mental health issue, Menucha is here to provide understanding, non-judgemental advice, specialised therapy services, and referrals.

www.menucha.info

Under the guidance of Rabbi SF Zimmerman and endorsed by local Rabbonim.

All our administration preserves your anonymity, and our clinical team never uses names, instead referring to case numbers when discussing clinical decisions. And, if your Care Coordinator arranges to access community resources, this is all arranged by them; your name is never used.

Motherhood can be a joy; **if we can help, let's talk.**

What is Torah Umesorah? Established 75 years ago in the USA, Torah Umesorah is the address that Torah institutions turn to when they need training, guidance and resources for anything chinuch related. Famous for its influence on the rich Torah education of 260,000 children in over 760 schools, Torah Umesorah provides much needed affordable services and resources.

What is a Teacher Centre? A Teacher Centre is a walk-in facility that provides training, networking sessions, mentoring & coaching, curricula, resources & crafts. Our ground-floor, 2,500 square foot facilities are equipped and furnished with speciality machines, state-of-the-art equipment, an Educational Library & exclusive access to the Torah Umesorah servers containing thousands of educational materials.

LONDONTEACHERCENTRE

The seven Torah Umesorah Teacher Centres have changed the face of Torah education in the USA. Following the opening of a Centre in Manchester, England, Torah Umesorah's first Educational Resource Centre outside of North America, we are delighted to invite all אנשי חינוך to the חזנות הבית of the London Teacher Centre. This Centre is yours and we want you to be a part of it from its inception.

There is much to say, and so many questions to answer - to that end we are hosting multiple Opening Events for those involved in education. Each one hour event will be used as an opportunity to introduce the Teacher Centre, tour the facilities, and host a round-table discussion about what it is that you - our esteemed אנשי חינוך - want from the Teacher Centre. Please RSVP so that we can welcome you personally!
