Snubs Mayo —*Tactfully*

Does not belong in a tuna salad.

There are many fish in the sea, but none like these on the shelf. The choicest cuts of tuna: deep, buttery, rose-colored, with a complex flavor and silky-smooth texture. This is not meant for a tuna salad, this is for an insalata di tonno.

"Hey Lily, What's With All The Hugs?"

Great question.

As the new Jewish year begins and the winter darkness approaches, staying on top of your wellbeing can be hard. That's where Project Lily's 'hugs' come in.

We're all about improving the Jewish community's wellbeing with initiatives such as our popular free training and self-care projects like the recent Awesome August Hug.

November 17th to 23rd is Self-Care Week - so here are two things to look out for:

- 🤗 our Send Someone a Hug campaign - we'll be promoting the huge benefits of social self-care with a smile
- 🤗 our **FREE** November self-care training - bookable now at www.projectlily.org.uk/training

We hope you'll join us in caring for yourself and others. Have a great winter!
