that we will once again arrange a

FREE YOM-TOV WALK-IN CLINIC SERVICE

for the **Golders Green & Hendon** area
over the upcoming Pesach Yomim-Tovim.

א' פסח 6 th Apr 11 ^{am} -2:30 ^{pm}	ב' פסח 7 th Apr 12-3:30 ^{pm}

This is a service MARS is offering free of charge for anyone
who may require a GP consultation over Yom-Tov.

Instead of traveling to an A&E department, one can just
walk into the clinic and be seen by a GP and receive
prescribed medicine if needed, so the patients and their
families can avoid wasting hours of travel and disruption
and minimize *chilul yom-tov*.

Spring is the season of new beginnings and fresh starts, and with the upcoming Pesach Bein Hazmanim, many of us are eagerly anticipating the arrival of the boys coming home. But with the excitement of this season also comes the sobering reality of the shidduch crisis. Unfortunately, no one is immune to this challenge, and finding the right match for ourselves or our our children can be a daunting task.

Thankfully, Agudas Yisroel UK has stepped up to the plate and proactively created a groundbreaking online database to help address this issue. This database is accessible only to their selected 200+ Shadchonim, giving them a privileged entry to view registered singles from all over the world. This powerful resource enables these devoted matchmakers to provide a personal, efficient, and private service to everyone who has enlisted with The Agudas Yisroel Initiative.

The database is completely confidential and can only be accessed by the certified Shadchonim using their individual secure codes. One cannot access the Aguda Shidduch Project from the internet, ensuring that personal information remains safe and secure. This system has proven to be instrumental in assisting the shidduch process in a more effective and productive manner.

The Agudas Yisroel UK database contains registered singles, widow/ers, and divorcees of all ages and from all walks of society. This means that regardless of your background or circumstances, you can benefit from this phenomenal tool that Aguda has designed to try and alleviate the shidduch crisis. Registration is absolutely free of charge, and once you sign up, you gain access to many of the Shadchanim. You can contact them directly if you wish to.

Over 400 of Agudas Yisroel UK's registered singles have found their match, and you could be next. The challenge of finding shidduchim for our children has become intensely stressful and frustrating. So why not take advantage of this remarkable resource that Aguda has created to help make the process smoother and less painful for everyone involved? For Shadchanim who have not yet registered with Agudas Yisroel UK, the organization invites you to join their team of caring and passionate individuals whose sole aim is to reduce the heartache of all the boys and girls who are waiting for the phone call that brings their Zivug. By working together, With HASHEMS help we can try and alleviate the shidduch crisis and ensure that everyone finds their bashert.

For more information, please email us at shidduchim@agudas.org.uk or call us on +442032400117, if no answer please leave a message, and calls will be returned. ASAP.
