"It will not be long before there will be no first hand survivors alive"
Manfred Goldberg

In memory of the great Leslie Kleinman - Eluzer Ben Mordechai z"l

The RCUK logo is located in the top left corner. It consists of the letters 'RCUK' in a bold, dark blue font. The letter 'C' is stylized with a small globe icon inside it, featuring a grid of dots in various colors.A large purple circle is positioned in the upper right quadrant of the image. Inside the circle, the words 'OPEN AS USUAL' are written in a bold, white, sans-serif font, arranged in three lines: 'OPEN', 'AS', and 'USUAL'. The circle is set against a background of a bright yellow sky with a few white clouds.

Throughout the summer holidays, all RCUK departments, including our three retail branches, are open as usual.

We'll work hard to ensure that all your devices are working as they should be, so you can enjoy a well-deserved break.

A stylized illustration of an RCUK storefront is located in the bottom left corner. The building has a dark blue roof with the 'RCUK' logo in white. The facade is light blue with a central door and two large windows. The left window shows a smartphone and a small potted plant. The right window displays a poster with a person's face and some text. The building is set against a green field with a purple hill in the background and a few white clouds.A red circle is located in the bottom right quadrant of the image. Inside the circle, the text 'UK Next Day shipping available.' is written in a white, sans-serif font. Below this, the text 'Not in the UK? No problem, we offer worldwide shipping too.' is written in a smaller, white, sans-serif font, arranged in four lines: 'Not in the UK?', 'No problem, we', 'offer worldwide', and 'shipping too.'.

This was our first holiday that the whole family was able to travel together. With all our luggage securely packed in the Roadtrip Kit on top of our car there was no need for half the family to travel by train. Thank you so much for a great product. **B.S.**

Roadtrip Kit has surpassed all our expectations way better than we thought it would be, extremely spacious and easy to use and packed away in the storage bag during our holiday. We travelled cross country trip from London to the French Alps and the bag was just as sturdy at the end of our 16 hour journey as it was at the beginning. Would definitely recommend

5 star. **M.G.**

It was an amazing product! Wherever I went people went crazy over it. It was very easy installing it on the car and had plenty space for all our luggage. Thanks it was an amazing experience! I was in Kent on Greatstone Beach.

BEST BUY!!! ☆☆☆☆☆
I have used this roofbox on a long journey and find it is great value. I drove on full speed and I found it very safe and secure. It's extremely compact, easy to fit and easy to store. **M.L.**

As a family of seven, most of our stuff fit in the bag so we were able to seat everybody in the car with comfort. We had a long drive to our destination and some of the time was pouring rain, upon arrival our stuff was as dry as it was when packed. **S.R.**

The Chevras Shmitah

SUPER
SHMITAH SKETCH

A contest for kids
from around the world

Hey kids,

How does a trip to Eretz Yisroel sound?

**All you need to do is put your
creativity to good use.**

This coming Rosh Hashanah, a new Shmitah year begins. For a full year, farmers in Eretz Yisroel will take a break from their fields. It may seem fun to have no job for a year, but it's actually pretty tough on the farmers, because they have no income. Chevras Shmitah is the kids division of Keren Hashviis, an organization that raises money for the farmers so that they can keep this very special mitzvah.

**And now
Keren Hashviis
is turning to you.**

What can your sign accomplish?

A Super Shmitah Sketch Story

An Israeli ba'al teshuva was telling his rav about some of his old habits. Back in the day, before he was frum, the man would drive around the fields of Eretz Yisroel and steal metal fences, poles, and signs, which he would sell as scrap metal.

There was one place he would never steal from, though: any are that was guarded by the company called "Shmitah." He saw the big yellow signs waving in the breeze and thought that "Shmitah" was the name of a scary security company. He definitely didn't want to mess with them!

And so the man never stole from those farmers. Hashem promises to protect any farmer who keeps Shmitah. And that year, the farmers with yellow banners hanging were definitely saved from being robbed.

Farmers who are Shomrei Shmitah hang a banner on their land, letting everyone know that they are keeping the important mitzvah. It's inspiring to see so many fields proudly proclaiming, "We keep Shmitah!"

This year, for the first time in nearly 2000 years, there's a good chance that majority of the Jewish land in Eretz Yisroel will actually keep Shmitah!

And that's where you come in.

Join the Super Shmitah Sketch and share your Shmitah artwork. Not only will the winning designs be used, you'll also win a trip to Eretz Yisroel to see your design in person!

Your design encourages and inspires farmers to keep this incredible mitzvah. In this zechus, we hope that Klal Yisroel will be able to bring Moshiach even closer.

It can be YOUR art hanging on hundreds of farms in Eretz Yisroel.

How?

1. Design a banner that uses one of the following phrases:

כאן שומרים שמיטה - וצויתי את ברכתי - גיבורי כח עושה דברו - ישמחו במלכותך שומרי שמיטה

2. Submit your artwork to Keren Hashviis via

- Email: Send a PDF attachment to youth@kerenhashviis.org.uk

3. Farmers in Eretz Yisroel will choose the winners.

The contest is open to children ages 9 and above. The contest closes Thursday, 23 Av (1 August) at 11:59 pm EST. Submissions received after the deadline will not be considered.

The prize is not transferable. If the winner chooses not to accept the prize or is unable to travel or to travel before the end of the Shmitah year 5782, a new winner will be drawn. The trip will be closely documented by photographers and videographers from local and global media. The winner will receive an album covering the highlights of the trip. Keren Hashviis retains the rights to all decisions relating to the raffle.
