13th – 14th March 2024

Since October 7th, Jewish students on UK campuses have faced unprecedented hostility and are confronted with overt antisemitism and ferocious anti-Zionism daily. This highlights the critical need for University Jewish Chaplaincy's unwavering support.

Chaplaincy must remain a safe haven on campus for Jewish students.

“ Skirts with lycra and stretchy materials are comfortable and easy to wear. When I found out it is Osur to wear such skirts as they display the shape of the thigh which needs to be camouflaged, I felt very challenged.

We were struggling financially and my husband had been unsuccessful at getting a better paid job.

I committed to only wearing loose fitting skirts without stretch and my husband got a much better paid job. ”

In Meirim they don't help Bochorim to reach their goal... they actually teach them how to create their goal! they don't help them on the path to growth... they actually show them how they have the tools inside them to pave their own way and that growth is something that they themselves have inside them!

They do not charge their batteries... they show the Bochorim that they have a source of eternal energy inside them!

To see boys from Meirim is like witnessing the tractors themselves who plow through the thickest forests, creating a beautiful home!!

The Royal Free Hospital's Maternity Unit may close.

NHS England and North Central London Integrated Care Board are proposing to close the maternity unit at Royal Free Hospital.

The Interlink Foundation has been working hard to support the NW London community to respond robustly to this concerning proposal.

Legally, this change cannot take place without a public consultation. To ensure our community's voice is heard, we need as many people as possible to respond to the consultation.

FAQ's

I signed a petition already. Is that the same as the consultation?

No. You may have signed a petition with your name but this does not have any legal weight, unlike a consultation response which the NHS is legally required to consider.

How do I fill in the consultation?

- Complete the form online at: opinionresearch.co.uk/StartWell
- You don't have to fill in the entire form. The most important questions are: 3b, 3c and comments box, and 5.
- Make sure to include that you are a member of the Orthodox Jewish community; this is very important.
- Explain how the closure would affect you.
- Save a copy of your response (they sometimes go missing!)

Is it worth campaigning to keep it open if I think the service isn't great?

YES. If The Royal Free's Maternity Unit stays open, the neonatal unit could potentially be upgraded from Level 1 to Level 2. You can also reference this in your response.

Can I respond if I have never used maternity services myself?

ANYONE can - and should - respond. If you or someone you know will be impacted by the closure of the Royal Free's maternity unit, respond to the consultation today.

When can I do this?

THE DEADLINE for consultation responses is: **Sunday 17th March**

Can you guide me on how best to complete the form and ensure I'm including all relevant points?

YES. Join our webinar to make sure your response is as effective as possible.

I can't attend the event. Is there anything I can do?

YES. Fill in the consultation form as best as you can. Any response is better than none.

“ After a couple of years of mediocre service from other brokers, I tried Lifepoint. They were extremely attentive and supportive of our company's needs. They saved us over £60K! Their care didn't end with the deal. The whole team continues to support the company and employees directive with quick, kind service. Can't recommend more!
