sip cocktails endlessly under the sun,
(and have the sunburn to prove it),

indulge in more-than-you-can-eat buffets
(growing a few pounds and a size or two),

be wowed by Jewish singers, comedians, and
magicians (that you've seen year after year),

be pampered by spa treatments (because, hey,
someone's gotta burn those extra calories)...

...while your kids are out of sight (and out of mind) at camp

...then **don't** come to Tokyo, Japan

Ask about
special multi
family rates!

...But if you've been there, done that,
and are **ready for something new**, ready...

To experience the mystique of Tokyo,
where history and innovation
intertwine,

To be mesmerized by sights of an entire
country painted pink by the Sakura
season (Cherry Blossoms),

For adventure and discovery of
breathtaking landmarks,

For a captivating blend of ancient
traditions and modern marvels,

To be fascinated by the magic of Japan,
its Jewish history and life in Tokyo,

For family-friendly fun, new landscapes,
and world-class shopping...

... hosted in luxury at the upscale
Hilton Shinjuku, in the heart of Tokyo...

Then come join us for

CHOCOLATE HAZELNUT CLUSTERS

By: Dr Michelle Braude

Quick and easy to make, these 'no-bake' clusters (my take on those famous Hazelnut balls) require just a few ingredients. Delicious and low in sugar, they are perfect home-made treats.

Yields; Approx 20

20 Minutes

Ingredients:

340g 90% cacao dark chocolate

226g hazelnuts (or other nuts)

Pinch of salt (if using unsalted nuts)

Xylitol to sweeten

Method:

1. Line a large baking tray with baking paper or foil and set aside.
2. Melt the chocolate in a heavy-based pan over a low heat. Keep stirring, making sure you don't burn the chocolate. As soon as the chocolate has melted, turn off the heat.
3. Add the nuts to the melted chocolate, and xylitol to sweeten to your taste, and stir well until they are fully mixed in and coated.
4. Spoon heaping tablespoons of the mixture onto the prepared baking tray. Allow to cool.
5. Place in the fridge and allow to set for several hours. Remove from the baking paper or foil.

Michelle's two books, *The Food Effect Diet* and *The Food Effect Diet Vegan* are both packed full of advice and recipes to help you 'eat more, weigh less, look & feel better'. Both are available from Amazon

A New Standard in A-Level/Yeshiva Education

The London Mechina has revolutionized the way A-level and Yeshiva education are combined, offering boys a robust full-day program of rigorous learning and academic study.

Over the past two years, our students have achieved remarkable growth in both their Torah learning and academic standards. Our program bridges the gap, ensuring boys develop the knowledge, skills, and character of a true Yeshiva talmid, without compromising on their secular education.

Key Features of The London Mechina:

- Exceptional levels of Torah learning and A-level achievement.
- Strong emphasis on work ethic: "Whatever you do, do it properly."
- Focus on middos and respect as foundational values.

"The best thing I ever did for my child."

"It's so nice to see my child learning from his own will."

— Parent feedback

We are now exploring the possibility of welcoming a new **Year 11 cohort** for the upcoming academic year.

Kollel Ateres Moshe has immense *to: הכרת הטוב*

The Kaufman brothers, led by HaRav Yossi. They are long standing friends of the Kollel and generous matchers to the campaign. The campaign is taking place on כ"ז טבת, which is their father, R Mendel's- זצ"ל הרב זכריה מנחם בן ר' משה זצ"ל, 9th Yahrzeit. R' Mendel was a very modest and refined individual who had an open and generous heart. May the family's generosity be לעילוי לנשמתו הטהורה.

Beis Hamedrash Ohr Chodosh of Golders Green, led by **Dayan Menachem Gelley Shlita.** The Shul and the Kollel have just celebrated the 10th anniversary together and we value their close friendship immensely. The Kollel has a lot of Hakoras Hatov to all members of the Shul. A special mention to **the Gabboim** and their families who have always been there for the Kollel and have spearheaded the Kollel-shul relationship. Following on from last year there is a number of Anonymous Matchers for the campaign from Beis Hamedrash Ohr Chodosh, some of which have even increased their matching pledges.

The very generous **Matchers** who made this campaign possible. Family David Hammelburger, Family Shuli Lerner, Family Leiby Levison, Family Yisroel Pels, Family Betty Smith, Family Yossi Tessler and the many who wish to remain anonymous.
