The Governors of Menorah Foundation School welcome applications for entry to both
Nursery and Reception Classes 2020.

At Menorah Foundation School our children are at the heart of everything we do. Recognising each child's unique contribution and building on their self-esteem, we learn, grow and succeed together in a community rich in the values of Torah and Mitzvos, where every child is not only encouraged but inspired to reach their potential. By achieving together as a whole school community we encourage everyone to become life-long learners and 'reach for their star'.

Applications for entry to the Nursery Class 2020 are for children born between 1st September 2016 and 31st August 2017. You will need to submit an Application Form, a Supplementary Information Form and a copy of your child's birth certificate.
The closing date for applications is **Monday 25th November 2019.**

Applications for entry to the Reception Class 2020 are for children born between 1st September 2015 and 31st August 2016. Applications for Reception must be submitted to your Local Authority by **Wednesday 15th January 2020** (www.eadmissions.org.uk) and all Supplementary Information Forms together with a copy of your child's birth certificate, must be submitted to the School by **Friday 10th January 2020.**

We will be holding an open evening on Tuesday 10th December 2019 for prospective parents at which they will have an opportunity to see the School and meet school staff and governors. Invitations will be sent out on receipt of completed admissions documentation. Admission will be by invitation only.

Both the Nursery Application Form and Supplementary Information Form can be downloaded from the School website <http://www.menorahfoundation.co.uk/admissions>.

Uprooted in France Planted in California

After searching through dozens of clones, soils and planting locations, the Herzog family selected the Musqué Clone for their Lineage series. Originating in Bordeaux, France 1962—this uniquely aromatic Sauvignon Blanc is perfectly matched with the rugged soil, clean air and warm climate of Lake County, California. In bringing them together, the family has crafted an elegant Sauvignon Blanc that captures every nuance of the Musqué Clone.

92

Herzog Lineage 2017 Sauvignon Blanc, Lake County made from the Musqué clone, has a nose that reminded us of pineapple upside-down cake. Lemon curd aromas meld with grassy notes while vanilla pudding adds a creamy texture to the mid-palate. This unique creature finishes with honeyed apricot.
