Snubs Mayo —*Tactfully*

Does not belong in a tuna salad.

There are many fish in the sea, but none like these on the shelf. The choicest cuts of tuna: deep, buttery, rose-colored, with a complex flavor and silky-smooth texture. This is not meant for a tuna salad, this is for an insalata di tonno.

Thank you to everyone who took part in the challenge, for being part of something special and for **spreading extra light** over chanukah.

AT TAG, WE ARE **INCREDIBLY INSPIRED** BY THE COMMUNITY'S FEEDBACK THIS CHANUKAH.

"I (we) gained a newfound appreciation of the power of screen free time, and it's impact on spending time together, with no distractions!"

"Always want to take a break from the phone - this gave me an extra push! I was really able to enjoy the family moments. Thank you!"

"A stronger family connection, a greater understanding of the nissim of Chanukah told by Tatty and increased enjoyment by singing, dancing & activities together as a family"

"We gained communication skills, connection and really enjoyed talking and laughing. The house was a calm, fun environment - we will be doing it again next year"

"I was able to give my kids attention without any distractions"

"We learnt that we don't have to be on our devices as often as we are. By day 3 it already wasn't a challenge BH!"

Doctors told us to say goodbye

GUESTS ELI & LEAH SELIGER

HOSTED BY YAAKOV BARR
