Bnos Devorah has been a life-saver! Having come back from sem in Israel and studying during the day, it provided me with a schedule of incredible shiurim, that I had to commit to. This commitment was the best thing I could have received during this year.

Our group discussions over cholent and kugel after shiur with like minded girls have enriched my growth.

Beyond the amazing weekly shiurim, Bnos Devorah has given us the opportunity to visit inspirational places in Europe and spend educational and uplifting Shabbosos together during the year.

TRAINING *Today's* **RABBIS** *for* **Tomorrow's** **Challenges**

Following the success of our first three cohorts, we have now opened applications for our fourth cycle. The RTA is a twelve month, high calibre training programme dedicated to mentoring the next generation of community and outreach rabbonim. In an ever-changing world, we want our rabbonim to understand the significant challenges that await them and learn how to respond in a wise, Torah true way, led by Rabbi Shaul Rosenblatt and Rabbi Chaim Rapoport.

Our doctors have extensive on-the-job training; we must ensure our future rabbis have the same access.

We are currently open for applications for our ***fourth cohort, starting in Elul 5782/September 2022 in London.*** Alongside our daily morning Kollel and ongoing personal and professional development, we have a track record of success in the job-market and will assist you to find a part-time position to complement your programme participation.

Applications are welcome from rabbinic couples, rabbis or those who are working towards a semicha qualification.

Grants for students on the programme are available.

For more information on the programme, the grants system and to apply please visit **www.rabbinictraining.org** or contact **applications@rabbinictraining.org**

This was our first holiday that the whole family was able to travel together. With all our luggage securely packed in the Roadtrip Kit on top of our car there was no need for half the family to travel by train. Thank you so much for a great product.

B.S.

Roadtrip Kit has surpassed all our expectations way better than we thought it would be, extremely spacious and easy to use and packed away in the storage bag during our holiday. We travelled cross country trip from London to the French Alps and the bag was just as sturdy at the end of our 16 hour journey as it was at the beginning. Would definitely recommend

5 star. M.G.

It was an amazing product! Wherever I went people went crazy over it. It was very easy installing it on the car and had plenty space for all our luggage. Thanks it was an amazing experience!

I was in Kent on Greatstone Beach.

BEST BUY!!! ☆☆☆☆☆
I have used this roofbox on a long journey and find it is great value. I drove on full speed and I found it very safe and secure. It's extremely compact, easy to fit and easy to store.

M.L.

As a family of seven, most of our stuff fit in the bag so we were able to seat everybody in the car with comfort. We had a long drive to our destination and some of the time was pouring rain, upon arrival our stuff was as dry as it was when packed.

S.R.

It's excellent. I recommend it to anyone!
