Rabbi Aaron Lopiansky שליט"א is the Rosh Hayeshiva of Greater Washington – Tiferes Gedaliah. Rabbi Lopiansky learned for decades at the Mir Yerushalayim, and follows the mesorah of his rebbeim Harav Chaim Shmuelovitz זצ"ל, Harav Nachum Partzovitz זצ"ל, and his father-in-law, Harav Beinisch Finkel זצ"ל (the late Rosh Hayeshiva of the Mir). His approach to learning was also deeply influenced by his long association as a close talmid of Harav Moshe Shapiro זצ"ל. Rabbi Lopiansky is a renowned speaker and the author of several Hebrew Seferim as well as a few English-language books - Time Pieces, Golden Apples, Seed of Redemption and the widely acclaimed Orchos Chaim – Ben Torah for Life published by Eshel Publications.

I'm so tense and nervous. Why do I keep worrying something terrible is going to happen?

Let's Talk About Anxiety

Perinatal anxiety is a serious issue for up to 1 in 5 expecting or recent mothers. Symptoms include uncontrollable worrying, restlessness, difficulty concentrating, feeling irritable and on edge, and even panic attacks with a racing heart, shortness of breath, dizziness and feeling faint. Anxiety often combines with depression.

But with the right treatment, perinatal anxiety can be managed, leading to a full recovery.

Motherhood should be a joy, so Menucha is here to provide understanding, non-judgmental advice, specialised therapy services, and referrals. If we can help, let's talk.

Master Masechta

Master Masechta is an extra-curricular program that empowers and inspires boys growing up in today's world to become real Bnei Torah, and prepares them for Yeshiva and beyond by nurturing a love for learning that will remain with them for life. In a relaxed but motivating environment, Master Masechta caters to all talmidim on a personal basis and guides them to master Torah whilst forging a profound bond and tremendous achdus with their friends and Rebbeim. The Yiras Shomayim that they gain in the process is a lifelong asset that they always treasure.
