TUSCANINI

La Farina Perfetta

Gently milled in the airy heights of the Dolomites, Tuscanini's 00 flour delivers perfection for silky pastas, delicate pastries, and crispy pizza. The high-gluten blend yields a fluffy challah dough that rises lightly to any occasion. Put it to work and show us how it rose to yours: @TuscaniniFoods

WHITE SPELT FLOUR 5lb

HIGH GLUTEN FLOUR 5lb

ALL-PURPOSE FLOUR 5lb

Tuscanini flours are milled in Italy with stone-ground techniques for peak perfection. The 00 flour, made from soft wheat, is ideal for pasta, pizza, and pastries thanks to its smooth texture and balanced strength. The high-gluten variety offers more protein for stretchy doughs and a better rise - perfect for challah and artisan breads. White spelt flour is a flavorful, whole-to-digest alternative to wheat, with a naturally sweet, nutty taste that shines in everyday baking.

SUKKAHMART

What is Kol Hana'ar all about?

For some sixty years, Yigal Calek z"l devoted his life to the "Child Entire." He understood young people, cared deeply about them and more than anything, also recognised opportunities to nurture them outside the classroom.

Kol Hana'ar was created with a simple goal: to help children get the extra support they need to discover their potential and thrive. It was originally established as a zechus for Yigal during his illness. Sadly, by the time we were ready to launch, Yigal had left us.

But his vision did not leave us.

Today, we continue this mission לעילוי נשמתו, helping children access the opportunities and support they need to come closer to fulfilling their potential.

For more information,
please email to
dzcalek@gmail.com

Why is it needed?

We estimate that 20–40% of children – 2 to 4 in every group of 10 – need some form of additional support which their school cannot or does not provide, and which many parents simply cannot afford. Sometimes it is a private lesson, emotional support, a professional assessment, an enrichment activity, a music session or a social opportunity. These may seem like small things, but for a child they can make a HUGE difference. Without financial assistance, parents are either stretched beyond their means – or the support simply doesn't happen.

What does Kol Hana'ar actually provide?

We provide funding for the "little extra" that can help a child move forward. This can include:

1. Private lessons – tailored to a child's individual needs, strengths and abilities
2. Emotional support & professional assessments – when a child needs specialist help
3. Enrichment opportunities – social and creative activities helping children develop & flourish

The aim is not simply to address a problem, but to help each child become their best.

Who can apply for help?

There are two ways a child can be referred to Kol Hana'ar to receive the support they need.

1. Parents can approach us directly with a supporting letter from their child's school or Rov.
2. A school or Rov can approach us directly on the child's behalf.

Each request is considered according to our established procedures and criteria.

Which should I choose?

Bosch WGH254A0GB

Families & busy households

A premium investment that pays off. Better wash results, more programmes, a longer warranty, and stronger after-service. Built to last.

Beko BM1WU3721W

Tenants, students & smaller households

Affordable and dependable, with enough programmes to handle everyday washing. A smart pick for rentals. Tenants get a machine that does the job well, and landlords keep costs down without sacrificing quality.

R"H Art

Our incredible artwork features 3D images inspired by Yom Tov, each piece proudly created during art sessions.

Challos

At Ability, our members proudly made the dough, shaped and baked the round challos with lots of love for Rosh Hashana.

Honey

Our members harvested and bottled the honey at Woodberry Farm, after collecting it from the beehives.

Apples

We visited an orchard, where our members carefully picked the best apples to present to their families.

Simanim

Our members carefully peeled, cooked, bottled and labelled the simanim, alongside our dedicated staff.

What is a spider's favorite
job?
Web design.

There was a man in prison
who dug his way out
through the cellar. He
crawled through the
tunnel and came up in the
middle of a park.
He shouted, "I'm free! I'm
free!"
A little boy nearby said,
"And I'm four!"

What's the smartest insect
around?
The spelling bee.

Cauliflower is having its gourmet moment and for good reason. It's a staple feature on top restaurant menus and in upscale recipe books.

Our florets are flash-frozen at peak ripeness, you get to keep every bit of goodness. Low in

calories and high in fibre, Vitamin C, Vitamin K, Vitamin B9 (Folate), Vitamin B6 and Vitamin B5 (Pantothenic Acid).

Whatever you're serving, add cauliflower and make it a more balanced meal.

FROM SEED TO SEAL, UNDER KEDASSIA SUPERVISION.

SPICY CAULIFLOWER POPPERS

Crispy-edged,
tender cauliflower
with just the right
amount of heat.

Hoffman's House Dip:

Mayo + hot sauce
+ a squeeze of lemon
+ a pinch of garlic
powder.

Ingredients

- 1 packet Hoffman's Frozen Cauliflower Florets
- 2 tbsp olive oil
- 1 tsp smoked paprika
- 1 tsp garlic powder
- ½–1 tsp chilli flakes or cayenne, to taste
- ½ tsp cumin
- ¾ tsp salt
- ½ tsp black pepper
- 1 tbsp grated Parmesan, optional

Method

Preheat the oven to 230°C.

Place the frozen cauliflower florets in a large bowl. Add the olive oil and all the seasonings, and toss until evenly coated.

Spread the cauliflower in a single layer on a lined baking tray, leaving space between the florets.

Roast for 30–35 minutes, turning once halfway through, until golden and browned around the edges.

For extra colour, place under the grill for 2–3 minutes.

Serve with Hoffman's House Dip and a sprinkling of Parmesan, if using.
