This is a lifetime mortgage. To understand the features and risks, please ask for a personalised illustration. Check that this mortgage will meet your needs if you want to move or sell your home or you want your family to inherit it. A lifetime mortgage may impact your entitlement to means-tested benefits and the inheritance you may leave. If you are in any doubt, seek independent advice.

A fee may be charged for equity release advice. The exact amount will depend on your circumstances, but we estimate this will be £1,495 on completion.

“ After a couple of years of mediocre service from other brokers, I tried Lifepoint. They were extremely attentive and supportive of our company's needs. They saved us over £60K! Their care didn't end with the deal. The whole team continues to support the company and employees directive with quick, kind service. Can't recommend more!
