CAMPAIGN COMING UP IN 2 WEEKS

CharityExtra

The Heimishe Kitchen was set up over 2 years ago in conjunction with Care and Share to supply ready cooked meals to local families in Golders Green, Hendon and Finchley.

- We offer our services every week to families that need help with cooking and preparing their own food , due to personal circumstances that are beyond their control, whatever they may be.
- Our delicious meals are prepared by local volunteers who come to our central commercial kitchen 3 times a week to cook up our suppers and Shabbos food.
- All food is professionally cared for and is licensed kosher to the highest standards.
- We have 6 different menus for suppers and full menus for Shabbos including starters and desserts.
- The fresh food is then packed with care and prepared for our discreet delivery team.
- The packages are picked up and delivered to the front door of the families that will be on our list for that particular day.
- We prepare hundreds of fresh portions a week through our dedicated team.
- We also give out cakes for Shabbos and other food help when needed.
- We need your help in supplying the raw goods to our kitchen and are asking the whole community to help us raise the funds needed to continue this important project, helping feed our neighbours with dignity and respect.
- Please do what you can, and bring a friend too, and have a share in this great project by donating what you can to help us carry on.

Drowning in
this oil isn't
a problem

The advertisement features a vibrant green background. In the center, a white frying pan sits on a black induction cooktop, containing a piece of breaded fish and a piece of salmon being cooked in oil. A silver spatula is used to lift the breaded fish. To the left of the pan is a large, clear plastic bottle of Tonnelli Avocado Oil. To the right is a smaller, clear glass bottle of the same oil. Two lemon halves and a small cluster of broccoli are placed on the surface next to the bottles. A sprig of fresh parsley lies at the bottom center. The Tonnelli logo and product name are visible on the labels of both bottles.

Maybe don't drink it out of
the bottle. But with no trans
fat, plenty of nutrients and
heat stability, our avocado
oil is perfect for wholesome
frying and cooking.

Thank you so much, the meals were a huge help. It meant I could focus on my son and his care without running around sorting food for him. The extra meal for the family member is so thoughtful and appreciated. The meals were plentiful and tasty. Bh my son is now home.
