HELP US FUND 59 COUPLES THIS YEAR

Harnessing the power of the Jewish woman's heart.

On February of 2020, Bonei Olam in the USA launched the V'zakeini Initiative, a program where 18,000 women began helping couples struggling with infertility together, by donating \$1 a week at candle-lighting every Friday and Erev Yom Tov towards their \$18,000 treatment, and davening for that couple's success. The initiative took off, and within a short while, tens of thousands of women were coming together every Friday at candle-lighting to support a couple that was waiting for a miracle of their own.

This past November, Bonei Olam of the UK launched its own V'zakeini chapter. With a weekly donation of just £1, and the tefillos of 5,000 subscribers, we will help a local couple achieve their dream of parenthood every Erev Shabbos and Yom Tov.

By joining the V'zakeini initiative with a £1 donation per week and your tefilos, we aim to help local couples realise their dream of parenthood.
