MENORAH FOUNDATION SCHOOL ADMISSIONS ARE OPEN FOR NURSERY AND RECEPTION 2027

The Governors of Menorah Foundation School welcome applications for entry to both the **Nursery and Reception Classes 2027**.

Our children are at the heart of everything we do. Recognising each child's unique contribution and building on their self-esteem, we learn, grow and succeed together in a community rich in the values of Torah and Mitzvos, where every child is not only encouraged but inspired to reach their potential. By achieving together as a whole school community we encourage everyone to become life-long learners and 'reach for their star'.

We will be holding an **open morning** for prospective parents on **Thursday 12 November 2026**. Please contact admissions@menorahfoundation.co.uk by Friday 6 November 2026 if you would like to attend.

What is Kol Hana'ar all about?

For some sixty years, Yigal Calek z"l devoted his life to the "Child Entire." He understood young people, cared deeply about them and more than anything, also recognised opportunities to nurture them outside the classroom.

Kol Hana'ar was created with a simple goal: to help children get the extra support they need to discover their potential and thrive. It was originally established as a zechus for Yigal during his illness. Sadly, by the time we were ready to launch, Yigal had left us.

But his vision did not leave us.

Today, we continue this mission לעילוי נשמתו, helping children access the opportunities and support they need to come closer to fulfilling their potential.

Why is it needed?

We estimate that 20–40% of children – 2 to 4 in every group of 10 – need some form of additional support which their school cannot or does not provide, and which many parents simply cannot afford. Sometimes it is a private lesson, emotional support, a professional assessment, an enrichment activity, a music session or a social opportunity. These may seem like small things, but for a child they can make a HUGE difference. Without financial assistance, parents are either stretched beyond their means – or the support simply doesn't happen.

What does Kol Hana'ar actually provide?

We provide funding for the "little extra" that can help a child move forward. This can include:

1. Private lessons – tailored to a child's individual needs, strengths and abilities
2. Emotional support & professional assessments – when a child needs specialist help
3. Enrichment opportunities – social and creative activities helping children develop & flourish

The aim is not simply to address a problem, but to help each child become their best.

For more information,
please email to
dzcalek@gmail.com

Who can apply for help?

There are two ways a child can be referred to Kol Hana'ar to receive the support they need.

1. Parents can approach us directly with a supporting letter from their child's school or Rov.
2. A school or Rov can approach us directly on the child's behalf.

Each request is considered according to our established procedures and criteria.

ADINA, 29
LOVES A POWER WALK.
ENJOYS BAKING SOURDOUGH.

On paper, I'm exactly where I'm supposed to be. I have my marriage, two beautiful kids and a home. It's what I always wanted.

But somewhere between the routines and responsibilities, I disappeared. My days are full, yet I feel empty. I love being a Mommy and a Wife, yet I barely recognise myself anymore.

I'm exhausted being what everyone needs.
I'm exhausted pretending I'm okay.

I'm Adina.

I have hope. I have a future.

You're still you, even when things are hard. You don't have to handle this alone.

Uncle Benji's BAG OF LAUGHS

A man had two horses and didn't know how to tell them apart until he noticed that the black horse was taller than the white horse.

I was washing my car the other day with my son. He said, "Dad, next time please use a sponge."

I ordered a book called *How to Scam People* two months ago. It still hasn't arrived.

This joke is so old... it was around when the Dead Sea was still sick.

I put my scale in the bathroom corner, and that's where the little liar will stay until it apologizes.

Hard to believe I once had a phone attached to a wall, and when it rang, I picked it up without knowing who was calling.

A teacher asked her students to use the word "beans" in a sentence.

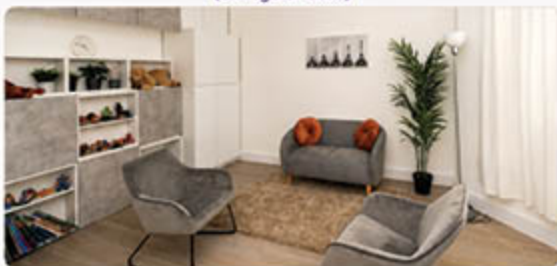

"My father grows beans," said one.

"My mother cooks beans," said another.

A third student spoke up, "We are all human beans."

Brought to you by Uncle Benji, author of *Laughter is the Best Medicine: Kosher and Jewish Jokes for the Whole Family*, volumes one, two, and a newly released volume three, and *Jewish Joke Book for Kids*, volumes one and two, available on Amazon, search "Uncle Benji" on Amazon.
