Menucha Milestone No. 5

100% of women on the
Menucha Programme reported
improvement after 12 months.

Cooling Off

Some women wonder how they'll know when to stop therapy. This is something that can be decided together with your therapist and if circumstances change, so can your decision; there's no need to worry that you might 'get it wrong' or that you have to fit in with someone else's time scale.

When you come to the agreed end of your therapy sessions, you'll have a 6 week cooling off period during which, if you feel you need to, you can re-join the Menucha programme at any time and pick up again with your therapist.

After the 6 weeks cooling off period, there's a further 6 month period when you can still contact us and re-join the Menucha programme. In this case, if your original therapist is fully booked there may be a slight wait, although we'll still offer you support until your therapist has a slot again.

If you are facing the challenge of a perinatal mental health issue, Menucha is here to provide understanding, non-judgemental advice, specialised therapy services, and referrals.

TRAINING *Today's* **RABBIS** *for* *Tomorrow's* **Challenges**

Following the success of our first three cohorts, we have now opened applications for our fourth cycle. The RTA is a twelve month, high calibre training programme dedicated to mentoring the next generation of community and outreach rabbonim. In an ever-changing world, we want our rabbonim to understand the significant challenges that await them and learn how to respond in a wise, Torah true way, led by Rabbi Shaul Rosenblatt and Rabbi Chaim Rapoport.

Our doctors have extensive on-the-job training; we must ensure our future rabbis have the same access.

We are currently open for applications for our ***fourth cohort, starting in Elul 5782/September 2022 in London.*** Alongside our daily morning Kollel and ongoing personal and professional development, we have a track record of success in the job-market and will assist you to find a part-time position to complement your programme participation.

Applications are welcome from rabbinic couples, rabbis or those who are working towards a semicha qualification.

Grants for students on the programme are available.

For more information on the programme, the grants system and to apply please visit **www.rabbinictraining.org** or contact **applications@rabbinictraining.org**

A CAMPAIGN FOR

AN OCEAN

A LARGE AMOUNT IS URGENTLY

We deal with many many families from all over Manchester, regardless whether they are Chassidish, Litvish, or Sefardi. There is a lot of suffering within the Kehilla, and we are dealing with some of the most challenging families. This family is however in a different league entirely. Their suffering is way beyond that of the average struggling family. The Matzav has reached a point of Sakonos Nefoshos. This may possibly be the most challenging family in Manchester and definitely the most challenging one we have encountered, and it is through no fault of their own that the situation has become this way. No family cries like this family, and their tears have pierced the heavens and we have cried many tears along with them.

Please do not ignore this campaign. Don't wait to be asked, or make an excuse not to give, but just try to drop off a donation of whatever you are able to afford. Try to feel the sadness that those who know the family can feel and listen to the silent cries of this long suffering family. Every coin, note, voucher, and bank transfer helps. They need the entire kehilla to unite and join together to help them.

Please make vouchers and checks payable to: The Prestwich Foundation

Bank transfers: The Prestwich Foundation, Sort code: 20-55-41, Acc. No. 08000000

Achisomoch: The Prestwich foundation.

FROM THE HEART OF TEARS

NT OF FUNDING Y REQUIRED

This genuine campaign has no overheads whatsoever [the adverts etc. are sponsored], 100% of the money will go to the family. No one takes a penny of commission. There are no wages paid and no funding of buildings involved.

Reb' Yeshaya ben Reb' Moshe has many Zechuyos and perhaps it is because he gave with his heart to the needy and borrowed money to help them, as he was not able to turn away a crying Yid. At the Prestwich Foundation we try and emulate this by giving with our heart and borrowing money for those who are crying out for help.

If you are in need of a Yeshuah, daven yourself and try to donate to this genuine Tzedaka for the needy of your town for an extra Zechus for yourself. Cry to Hashem and we will also cry for you, and our Tefillah is that Hashem should answer all of your Tefillos and wipe away the many tears of those within the Kehilla who beg daily for an end to their copious tears.

If you donate a generous sum please send in your name and details to 7737294@gmail.com, and we will daven and cry B'ezras Hashem specially for you.
