Building

Pizza.

Not yet.

First the wood needs measuring, the planks need cutting, and every angle exactly right. The pizza oven won't build itself and neither will the confidence that comes from knowing you built it right.

**DAVID, 44
LOVES SMOKING MEAT.
ENJOYS VOLUNTEERING ON HATZOLA.**

I've built what I was supposed to build. A career, a home, a family that depends on me. People see me as the rock, the steady one who keeps it all together.

I try to be present for my kids, supportive for my wife but they don't hear the constant pressure humming in the background. The fear of getting it wrong.

I'm exhausted carrying it quietly.
I'm exhausted pretending I'm okay.

I'm David.

I have hope. I have a future.

You're still you, even when things are hard. You don't have to handle this alone.

I want to die peacefully in my sleep, like my grandfather did. Not screaming in terror like the passengers in his car.

.....

A little girl was sitting on her grandfather's lap as he read her a bedtime story. From time to time, she would take her eyes off the book and reach up to touch his wrinkled cheek. She was alternately stroking her own cheek, then his again. Finally, she spoke up. "Grandpa, did Hashem make you?" "Yes, sweetheart," he answered. "Hashem made me a long time ago." "Oh," she said. "Grandpa, did Hashem make me, too?" "Yes, indeed, honey," he said. "Hashem made you just a little while ago." Feeling their respective faces again, she observed, "Hashem's getting better at it, isn't He?"

Dear Pardes House Primary,

Thank you for everything we've learnt and gained from you over the past 7 years. It's hard to believe we are already in Year 6, as mature boys about to go to Grammar School. Time has flown by so fast!

Reception feels so recent! We couldn't even come to school because of Covid! And later that year, we had the famous Chumash Saudah! We still remember our lines to this day.

Year 1 was so special because we started davening properly, were introduced to Tehillim, and began learning Chumash inside. It felt really grown-up.

And of course, how can we forget The Tzizis Project, and then recreating the Great Fire of London in Year 2?

Learning Mishnayos and the grand Siyum was such an exciting memory of Year 3!

We remember counting down the days in Year 4 till we started learning Gemara — we've now become so fluent in Aramaic and know so many blatt already!

In Year 5, we'll never forget how long we spent working on the Gedolim Project. And in Year 6, finally, the top year of Pardes Primary, this was filled with high-level learning and fun stuff like the 40-day Minyan Programme!

Our whole class can now look back at all the beautiful memories that have shaped us into who we are today.

So many special moments...

Thank you for instilling in us the geshmat and sweetness of Yiddishkeit, in the unique Pardes way. Learning Chumash in Yiddish, bentshing with songs, Tehillim with heart, and the unforgettable Lag Bomer Hadloko —

These precious memories will carry us for the rest of our lives.

Thank you, Pardes House!

From Year 6, 2026.
