STEEPED IN HERITAGE

Psagot Sinai is sourced from vineyards in the northern reaches of Israel, at an altitude of 900 metres. The barrel cellar in which the wine was aged, meanwhile, is located in an ancient cave. And yes, you can certainly taste the heritage.

WHO ARE WE?

Lifepoint Healthcare is an award-winning health insurance brokerage based in North London.

We simplify health insurance with clear communication, excellent advice and world-class customer service.

Our service is free of charge.

We have tried other brokers but came back to Lifepoint as they get it right every time! They are so friendly and helpful, with phones that actually get answered. They will get you what you want, not what is just good for them.

Finally, they always managed to get us the best deal compared to anyone else. I would recommend them to anyone!

ARE YOU TIME BLIND?

Do you often lose track of time?

Are you constantly rushing?

Always late?

IT'S TIME FOR CHANGE!

i

Time blindness refers to the inability to recognize when time has passed, or to estimate how long something will take. Poor time awareness is a common ADHD tendency and can lead to much frustration for you and your loved ones.
