After a couple of years of mediocre service from other brokers, I tried Lifepoint. They were extremely attentive and supportive of our company's needs.

They saved us over £60K! Their care didn't end with the deal. The whole team continues to support the company and employees directive with quick, kind service. Can't recommend more!

Sorry, we can't help you.

If you want a mattress from certain famous brands, we can't help you.

Here's why:

Over the years, some famous brands have begun cutting corners in their manufacturing process, and their mattresses are no longer as long-lasting as they used to be.

We only stock brands we're confident in.

There's lots we
CAN help you with!

This is a lifetime mortgage. To understand the features and risks, please ask for a personalised illustration. Check that this mortgage will meet your needs if you want to move or sell your home or you want your family to inherit it. A lifetime mortgage may impact your entitlement to means-tested benefits and the inheritance you may leave. If you are in any doubt, seek independent advice.

A fee may be charged for equity release advice. The exact amount will depend on your circumstances, but we estimate this will be £1,495 on completion.
