Snubs Mayo —*Tactfully*

Does not belong in a tuna salad.

There are many fish in the sea, but none like these on the shelf. The choicest cuts of tuna: deep, buttery, rose-colored, with a complex flavor and silky-smooth texture. This is not meant for a tuna salad, this is for an insalata di tonno.

Serving hundreds of cooked meals weekly to local GG and Hendon families from our local kitchen. Delivered discreetly and respectfully.

RAISING **£250,000**

Please help us
carry on our vital work
feeding our community

22 & 23 March

CharityExtra

The Heimishe Kitchen was set up over 3 years ago in conjunction with Care and Share to supply ready cooked meals to local families in Golders Green, Hendon and Finchley.

- We offer our services every week to families that need help with cooking and preparing their own food, due to personal circumstances that are beyond their control, whatever they may be.
- Our delicious meals are prepared by local volunteers who come to our central commercial kitchen 3 times a week to cook up our suppers and Shabbos food.
- All food is professionally cared for and is licensed kosher to the highest standards.
- We have 6 different menus for suppers and full menus for Shabbos including starters and desserts.
- The fresh food is then packed with care and prepared for our discreet delivery team.
- The packages are picked up and delivered to the front door of the families that will be on our list for that particular day.
- We prepare hundreds of fresh portions a week through our dedicated team.
- We also give out cakes for Shabbos and other food help when needed.
- We need your help in supplying the raw goods to our kitchen and are asking the whole community to help us raise the funds needed to continue this important project, helping feed our neighbours with dignity and respect.
- Please do what you can, and bring a friend too, and have a share in this great project by donating what you can to help us carry on.

LAUNCHING SOON

An aerial illustration of a city neighborhood. The top half shows a residential area with many houses and trees. A road curves through the middle. Below the road, a specific area is outlined with a dashed white line, showing a parking lot with several cars, a green lawn, and a building under construction. To the right of this area are several tall, modern apartment buildings with solar panels on their roofs. The bottom of the image shows more residential buildings and streets.

FOR MOTHERS WHO WANT TO GROW, NOT JUST COPE

High-Level Learning For The Most Important Role Of All

Motherhood changes everything - your time, your priorities, your relationships, and often, your sense of who you are.

Built on Menucha's five years' hearing about the issues that women need to explore, The Menucha Academy of Motherhood (MAM) has been launched to offer something different: structured, high-level learning designed specifically for women navigating pregnancy, birth, and the early years of parenting.

Through small, confidential workshops led by experienced professionals and respected Torah educators, MAM combines evidence-based psychological tools with Torah insight - creating a thoughtful, culturally sensitive space where mothers can reflect, grow, and strengthen the emotional foundations of their families.

***This isn't a support group.
It's not therapy.***

It's serious, guided learning for women who understand that motherhood deserves preparation, reflection and skill.

Because a strong family grows by strengthening the mother

Our next 3-week course begins on Zoom, Tuesday 14th April, 8-9.30pm
