No-Bake Katan's Cookie Dough Cheesecake

Ingredients:

- 1 pint heavy cream
- 3 blocks unwhipped cream cheese (8 oz each), room temperature
- 1/2 cup sugar
- 2 tablespoons powdered sugar
- 1/4 cup sour cream, room temperature
- Juice of 1/2 lemon
- Zest of 1/2 lemon
- 1 teaspoon vanilla extract
- 1 bag Katan's Cookie Dough Chunks**
- 2 graham crusts

Your choice of toppings for garnish:
We used Katan's Cookie Dough Chunks, whipped cream, butterscotch chips and peanut brittle

Directions:

Whip heavy cream until stiff peaks form, about 4-5 minutes. Set aside.

Beat cream cheese and sugar on medium speed until smooth. Add powdered sugar, sour cream, lemon juice, lemon zest and vanilla. Beat for 2-3 minutes on medium-high speed until smooth.

Add Katan's Cookie Dough Chunks and slowly fold cream into cheesecake filling until combined.

Pour filling into crust. Gently smooth down top. Cover and refrigerate overnight. (Tip: Can be stored in fridge for up to 5 days.)

To garnish

Carefully cut away foil lining of the crust and transfer to serving dish. Pipe dollops of whipped cream around rim and decorate with Katan's Cookie Dough Chunks and your favorite toppings.

Find in the freezer section of your local supermarket

Katan's Edible Cookie Dough Chunks is the perfect topping for any cake or ice cream. Better yet, eat them straight out of the bag for a delicious and dangerously addictive snack!

The truth about CBD

By Maxi Health Research

Is CBD oil too good to be true?

It has been proclaimed to relieve chronic pain, help with insomnia and depression, reduce anxiety, and even support healing procedures for cancer.

But are its magical healing powers wishful thinking? Or worse, is CBD oil simply a legal form of taking illegal drugs?

Maxi Health takes on a mission to establish facts and bust misconceptions. Here are the ABC's of CBD.

CBD oil's popularity has surged tremendously in the last few years. It has become a strong trend in the scientific medical community, the alternative healing industry, and the mainstream market.

The newness and unfamiliarity of the product resulted in many misconceptions about the oil. Let's learn some facts about the true nature of CBD oil.

What is CBD?

CBD stands for cannabidiol. It is the second most active component of the cannabis plants, marijuana, and hemp.

While CBD is also found in the marijuana plant, Maxi Health CBD oil is extracted from the legal, non-intoxicating hemp plant. Same plant family, completely different plant.

According to the World Health Organization, CBD does not cause any intoxicating effects like marijuana does, as cited in the **World Health Organization Critical Review Report of June 2018**: "CBD exhibits no effects indicative of any abuse or dependence potential. . . . To date, there is no evidence of public health-related problems associated with the use of pure CBD."

The wide range of health benefits.

The treatment has been researched, tested, and proven to help with a wide variety of health issues. To sum it up: **CBD can succeed where all else has failed.**

CBD oil is famous for its effective treatment for **childhood epilepsy syndromes**, where all other anti seizures treatments have failed. It has also been proven to **alleviate anxiety, insomnia, and depression.**

People with **arthritis** experience pain relief when ingesting CBD oil. Studies have shown how CBD inhibits and relieves chronic ailments such as **inflammatory and neuropathic pain.**

Yad Eliezer

MERON CRISIS RELIEF CAMPAIGN

Dear Friend,

The Lag B'Omer tragedy in Meron has left the nation in severe shock, immeasurable sorrow and deep mourning. Yad Eliezer's Meron Crisis Relief program has been set up to bring urgent support to families affected by the calamity.

Aid is being allocated to the almanos, who've been thrown into emergency mode, left alone with yesomim to raise. Some were already struggling on a day to day basis beforehand, and are now devastated on multiple levels.

We are also helping families who've lost precious children and loved ones, and sending relief to households of those injured and hospitalized.

Our support is allaying financial stress, providing funds for a wide range of basic needs to keep their homes functioning. We will also assist with necessities such as medical bills and emotional therapy-for which there is already a high demand.

As the consequences of the tragedy continue to unfold, Yad Eliezer is here to anticipate these families' needs and provide them with a shoulder to lean on, while they try to make their way through this unimaginable crisis.

Mr B Chontow

**Please join us in our critical emergency mission.
Help us send a lifeline to families of the Meron tragedy.**

Our story is a simple one.

As brothers, glasses have always been more to us than just an essential. Our glasses are an expression of our quirky personalities, a fashion statement and confidence booster.

For us, each pair of glasses tells its own story; a new angle, a fresh vision, a different mood.

Framed is a celebration of uniqueness. Love your face as much as we do, and find that perfect pair of glasses to reframe your identity.

Framed was created to allow you to express yourself effortlessly and affordably.

Don't just see the world through your frames; let the world see you through them.
