The Chabura
קביעות עיתים לתורה

To all our donors, matchers, raisers, and the entire Kehilla,

THANK YOU

FOR YOUR UNPRECEDENTED & OVERWHELMING SUPPORT FOR THE CHABURA.

With tremendous **siyata dishmaya**, we reached our £150,000 goal, **in record time – just 8 hours into our campaign!** We were blown away to see how passionately and quickly the kehilla rallied behind us.

Because of the success we saw, our campaign hub closed a full 24hrs earlier than planned, allowing The Chabura to get straight back to their Gemaras. Thanks to you, we can continue focusing on our important mission of קביעות עיתים לתורה.

Your support for our inaugural campaign is a huge chizzuk for our boys who keep The Chabura and their commitment to Torah at the forefront of their busy days, and all those behind the scenes who make The Chabura what it is.

With much hakaras hatov & appreciation

There are many wonderful volunteers bringing home-cooked meals to hospital patients.

Our goal is to ensure every patient has access to wholesome, tasty meals on the hospital menu, reliably served at mealtimes and meeting the hospital's food safety and nutritional standards.

revive
Formerly Hospital Kosher Meals

Do you think it's time for better hospital food?

Do you think hospital meals should look better and taste more like home?

We did.

Do you think kids deserve better meal options?

We did.

Do you think Shabbos meals should be the same as Tuesday meals?

We didn't!

In 1964, we stepped in to make sure Jewish patients could get kosher food in the hospital.

Now, we're reviving that mission. Making sure they get **better kosher food, too.**

We've listened to patients, worked with hospital directors and completely reviewed our menus.

From 1 November, we're introducing an improved range of **kosher-certified frozen meals**, with more variety, familiar dishes, child-friendly choices, gluten-free options and special Shabbos meals.

And we're only getting started.

We hope you'll taste the difference.

LOOK OUT FOR FURTHER CHANGES IN FUTURE ADS.

The warning signs aren't always visible.

CHANA GORDON
OCCUPATIONAL THERAPIST

Real life. Practical support.

Individualised, one-to-one support for women

Sometimes it's the day-to-day juggle. Sometimes it's one particular thing you just can't seem to get on top of. Either way, a fresh perspective and some practical support can make a real difference.

I'm Chana Gordon, an occupational therapist offering a space to step away from the overwhelm and problem solve the area that is feeling difficult.

Whether it's household systems, establishing routines, managing competing responsibilities or tackling a particular task or project, we'll look at what's getting in the way and find practical, realistic solutions that work for you.

- HOUSEHOLD SYSTEMS
- ESTABLISHING ROUTINES
- MANAGING RESPONSIBILITIES
- TACKLING A SPECIFIC TASK OR PROJECT

Sessions can be a one-off to tackle something specific, or ongoing support where helpful. I can also offer sessions remotely.

THE FOUNDATION OF A GOOD SHIRT IS THE FIT.

Hello,

We opened our doors in Stamford Hill just before Yom Tov and haven't yet had the chance to properly introduce ourselves.

We're Brachosni, and we've been making fine shirts for over 40 years.

We believe a truly good shirt is about more than its pattern or style. It's how it's cut, how it's constructed and, above all, how it fits.

We've always been particular about these things. Good fabrics, proper tailoring and shirts that don't just look right, but sit right and last for years. We've even had customers tell us they've worn theirs for over a decade.

And we're just as particular about our hard-wearing everyday Black Label as we are about our more refined Purple and Gold Labels.

Dear Friend,
It is in your hands to save lives!

Nechemya Shmuel Lefkowitz was diagnosed with a brain tumour shortly after his Chasuna, and has been suffering with it for 13 years. So far, the growth could not be operated and as a result of this he was unable to walk. With the help of Hashem he is now walking again with crutches but he still needs ongoing complicated procedures.

On top of all this his 15-year-old son Elimelech has also been diagnosed with cancer and due to a tumour, his spine is bent by 94°. He needs an urgent very sensitive operation on his spine to prevent him from becoming paralyzed.

This is Pikuach Nefesh!

We need to raise £ 70,000 to cover the 2 operations and the basic functioning of the household during the upcoming trialling months of the operations and recovery.
It is self-understood that this needs an extraordinary participation from each and everyone of us.

I have personally verified the details of the above heart-breaking situation and can confirm that this is a Tzedokoh of the highest priority.

May you and your family be spared from any hardships in the Zechus of this great Mitzvah.

WALKING ALONG OUTSIDE THE HOSPITAL JUST THEN...
THE VATICAN WANTS ME TO PURCHASE A PIECE OF PROPERTY SO THEY CAN EXPAND THEIR SCHOOL.
