WE WANT TO PUT YOUR LIFE IN THEIR HANDS

It's a scary thought, isn't it? Putting your life in the hands of a teenager. But, you know what's more scary? You, a family member or someone in the community, having a cardiac arrest and no-one knowing what to do.

Which is why, at Hatzola Northwest, we're launching our **Hatzola Heart Starters** initiative. We want to give Year 8 students the practical ability to save someone in cardiac arrest. They will, literally, get hands-on training in effectively giving CPR and using a defibrillator, delivered by our team of experienced paramedics and Hatzola Responders.

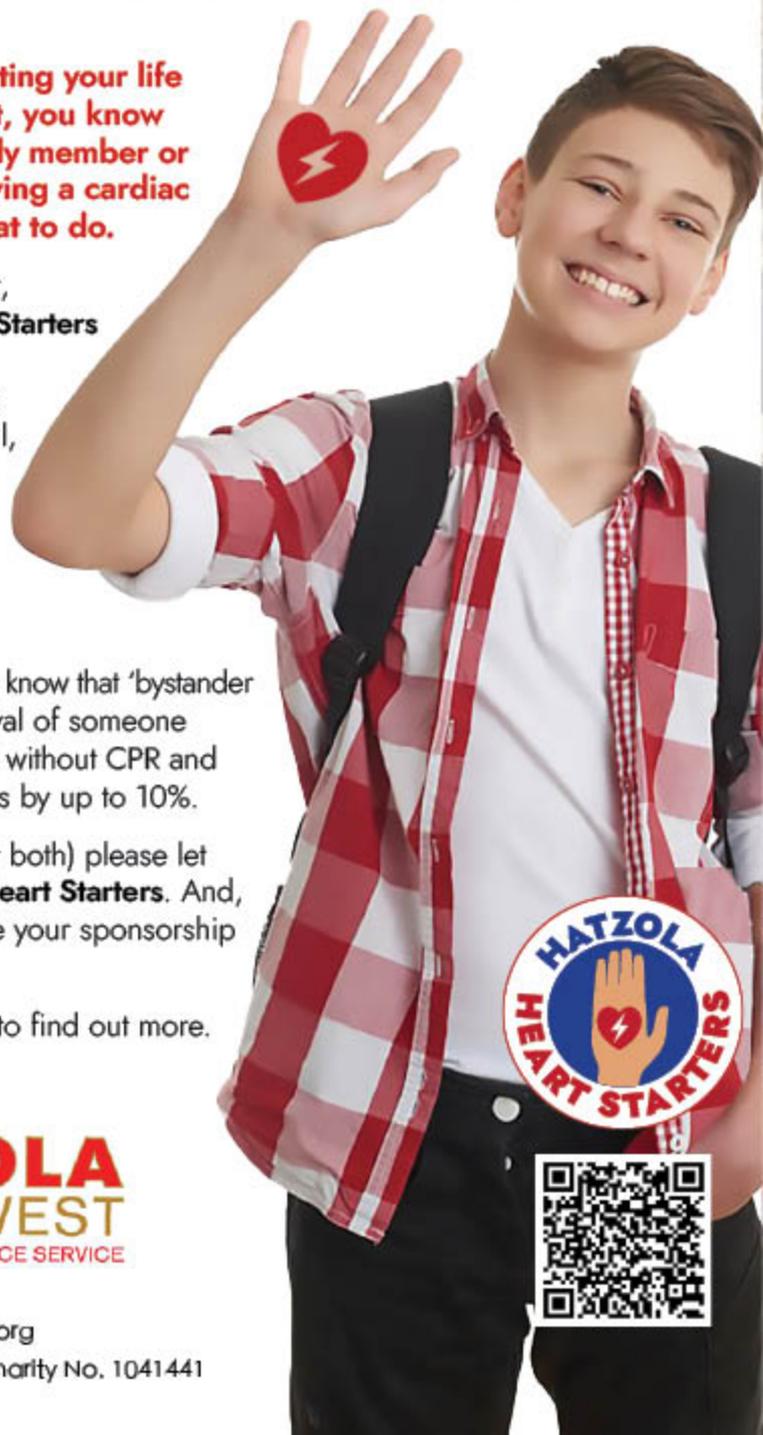

Why are we doing this? Because we know that 'bystander CPR' doubles the chances of survival of someone in cardiac arrest. And every minute without CPR and defibrillation reduces those chances by up to 10%.

So, if you're a parent or teacher (or both) please let your school know about **Hatzola Heart Starters**. And, if you're in business, we'd welcome your sponsorship to help us fund this free initiative.

Just scan the QR code on the right to find out more.

📍 Based in Hendon

A son asks his father at a Purim seuda, "Daddy, how do you know when you are too drunk to drive?"

His father puts his arm around his son and says, "Well, son, you see those two trees over there. When it looks like four, I know that I am too drunk to drive."

And the son says, "But daddy, there is only one tree there!"

.....

What did Haman say to Mordechai?
Why did you leave me hanging?

.....

Who had the tallest family tree in history?
HAMAN!

.....

What brocho did the Yidden say when they saw Haman hanging on the gallows?
AL HA'EITZ!
