Seed Beis Hamedrash PROGRAMME

The Seed Beis Hamedrash Programme is at the heart of all of Seed's manifold activities. There are a vast variety of opportunities for people to come and learn almost every day of the week. We pride ourselves on teaching Torah in a way that is accessible to all, and we watch with nachas as our talmidim graduate from level to level.

SECOND OPINIONS SAVE LIVES.

You asked everyone you know for their opinion on that business deal. When it comes to the most important thing - your health - shouldn't your decisions be at least that informed?

When the doctor says potent treatment isn't possible - *why can't you get a second opinion?*

When you want to show your scan to a specialist - *why can't you access it before 30 days?*

When different doctors treat you every day - *why can't you have one expert of your choice?*

Under the strictly-regulated NHS, you don't have many options.

Get private care so you can advocate for your health.

Nobody else will do it for you.
