I'm Miriam

I have a beautiful growing family and a happy marriage. I work hard to try give them what they need but as the needs grow I feel overwhelmed. Providing for my family is extremely intense and putting a strain on my marriage.

Seeking help is a sign of courage, not weakness. Let's talk.

Bein hazmanim is almost here bringing with it the excitement of Succos and the bochorim coming home, but for many people it signifies, pressure and anxiety "when will My phone ring with a shidduch suggestion, the silence is deafening!"

Agudas Yisroel UK empathise with you and feel your pain. With great determination they rose to the occasion, and proactively created a ground-breaking online database to which their 200+ selected Shadchanim have privileged entry. This technique enables the devoted shadchanim to view our registered singles worldwide. And empowers them to try and give a discreet, personal, and very efficient service to everyone enlisted with us.

The database is completely confidential and used solely by our certified shadchanim from all over the world. using their individual secure codes., One CANNOT access the Aguda Shidduch Project from the internet. It is a system which has proved itself to be instrumental in assisting the shidduch dilemma in a more effective and productive manner.

Registered on the Agudas database are singles,

widow/ers, and divorcees of all ages, from all walks of society.

The challenge of finding shidduchim for our children has become intensely stressful and frustrating, DO NOT SIT BACK! Why not take advantage of this phenomenal tool that Aguda have designed to try and alleviate the shidduch crisis. Registration is absolutely free of charge; so, do it today! Once you sign up you will gain access to most of the Shadchanim and you will be able to contact them directly if you wish to. Over 400 of our registered singles have found their match, maybe you will be next!

For those Shadchanim who have not yet registered with us, we invite you to join our team of caring and passionate individuals, whose sole aim is to reduce the heartache of all our boys and girls who are waiting for the phone call that brings their zivug.

Italy's Charm: *Amicale.*

Amicale combines a blend of unique red grapes from Veneto. Some are harvested and fermented in stainless steel tanks, while others undergo a special drying process in wooden crates. After pressing and vinification, the blend matures in tonneaux for 12 months. Amicale is a wine that borrows the grape-drying technique of Amarone.
