JLeague - The home of Jewish five-a-side football

JLeague was founded by Jack Josephs, a University of Nottingham graduate and a former JFS student.

From the age of 6, Jack spent seven treasured years playing football with 'HMH', which was previously based at Wingate & Finchley FC (N12), the official venue for JLeague.

JLeague will host FA-affiliated weeknight five-a-side football leagues for Men, Masters and Juniors, running throughout the year with a matchday referee for every fixture. We are also working towards increasing female participation in the sport. The first ever 10-week JLeague season will begin in the first week of March, with a deadline for entries on the 22nd January 2021. Once entries have been received, teams will have the option to play in friendlies and divisional placing fixtures prior to the start date. Players can register either as a team, or as an individual looking to join a team. Application forms can be found on the website www.jleague5aside.co.uk.

We aim to create a fantastic experience for all our players; there will be live reporting, a regularly updated website, and great prizes for all league winners. We strive to bring the community closer than ever, uniting people of all ages, ability levels and genders to compete and belong to our special organisation. We hope to generate a competitive, yet friendly atmosphere at our venue, sharing memories and creating friendships that will last a lifetime.

David Wolff, chairman of the MGBSFL, said 'Midweek small-sided football is now becoming very popular, particularly in these strange times, and I am delighted to offer my support for this exciting venture. I look forward to seeing JLeague in full swing.'

Danny Caro, Editor of J Sports Monthly, said 'It's been some time since I've heard about a project as exciting as this one. JLeague is a unique concept which has the potential to revolutionise Jewish football, away from the 11-a-side game, and bring the community closer together.'
