A FIRST OF ITS KIND

As the first letter of the Hebrew alphabet and also representing the numerical digit one, Aleph can be seen as a symbol of unity, oneness. Echoing this theme, Baron Herzog Aleph holds multiple varieties harmonized into a perfectly balanced, off-dry wine.

Carrying a silky mouthfeel, this California red blend holds notes of cherry, red berries and grenadine.

KEILIM MIKVE ON PREMISES

The background of the poster is a blue-tinted photograph of a library or study hall. In the upper portion, a man with a beard and glasses is leaning over a desk, looking at a book, while another person stands beside him. In the lower portion, a large group of people are seated at long tables, focused on their studies. Bookshelves filled with books are visible in the background.
