KOLLEL ATERES MOSHE HAS IMMENSE TO: **הברת הטוב**

The very generous **Matchers** who made this campaign possible. Family David Hammelburger, Family Shuli Lerner, Family Leiby Levison, Family Betty Smith, Family Yossi Tessler and the many who wish to remain anonymous.

The Kaufman brothers, led by HaRav Yossi. They are long standing friends of the Kollel and generous matchers to the campaign. The campaign is taking place two days after טבת, which is their father, R Mendel's, הרב זכריה מנחם בן ר' משה-צ'יל, 10th Yahrzeit. R' Mendel was a very modest and refined individual who had an open and generous heart. May the family's generosity be, לילו! נצחתו הטרורה.

Beis Hamedrash Ohr Chodosh of Golders Green, led by **Dayan Menachem Gelley Shlita**. The Kollel has a lot of Hakoras Hatov to all members of the Shul. A special mention to **the Gabboim** and their families who have always been there for the Kollel and have spearheaded the Kollel-shul relationship. A first for the Kollel is that a Yungerman who grew up in Ohr Chodosh has joined the Kollel this Zman. Following on from last year there is a number of Anonymous Matchers for the campaign from Beis Hamedrash Ohr Chodosh, some of which have even increased their matching pledges.

The 40 Revolution

For over forty years, Rav Amnon Yitzchak shlit'a's teshuva revolution has touched the lives of millions, through lectures, classes, spiritual inspiration, strengthening of faith, and bringing Torah back to the center of Jewish life in Israel and around the world.

Now there is a unique opportunity to continue and deepen this holy work:

Establishing a building / purchasing a property

for the Shofar organization in Jerusalem, as a permanent center for Torah learning, inspiration, and spreading Judaism.

A place that will host lectures, classes, and educational activities, and will give today's searching generation the truth, clarity,

An opportunity like this may not come again and everyone can take part easily:

with a donation of only \$20!

No fine print, no commitments, and no additional payments.

This is a rare chance to partner in building a spiritual home for generations to come, to show gratitude for everything we have received over more than forty years, and to strengthen Am Yisrael on the path of Torah.

A carpenter in Chelm is fixing the roof, but as he works, he throws away about half the nails. The mayor is passing by and asks him why he's wasting so many nails. The carpenter answers, "I take a nail out of the bag, and if it's facing the roof, I use it; if it's facing away, I know it's defective and throw it away."

The mayor tells him, "You fool! Those are for the other side!"

.....

I got home from a chasunah last night and my wife said, "I can't believe how drunk you are." Denying it I said, "I'm not drunk." She said, "Yes you are." I said, "No I'm not." She said, "Can you tell the time?" I walked up to the clock and said, "I'm not drunk."
