LOVES HOSTING.
ENJOYS A COFFEE DATE.**

I thought this stage of life would be mine.
More time, more ease.

Instead I'm pulled in every direction. I'm
proud to be the heart of my family, the one
everyone turns to for meals, advice, and
support. I hold three generations together.
I love them all fiercely and I am so grateful.
But I'm tired. Bone deep tired.

I'm exhausted being everything to everyone.
I'm exhausted pretending I'm okay.

I'm Chava.

I have hope. I have a future.

NOW ON PROMOTION AT YOUR LOCAL STORES!

BML CLAIM TO HAVE TOP SERVICE. CAN THEY SUPPORT THIS CLAIM?

Every broker says it. "We deliver the best service." "Our clients always come first." – words that fill every financial services website and **mean nothing without proof.**

So here's the proof.

Every BML client receives an update on their file **every single day** – even when the only news is that everything is on track. Because the question landlords are really asking isn't "is there news?" It's "is anyone actually on this?"

The same day a bridging loan completes, BML calls to start the mortgage process. Not when you ask. **The same day.** Because the broker who waits costs you an extra month of bridging interest – and at **£10,000 a month** on a typical HMO loan, that's not a small thing.

When a solicitor goes quiet, BML calls them... then emails... then calls again.

The point is, completing **one day earlier** can save you an entire month's interest.

That's not a claim. **That's a service standard.**

THINK MORTGAGE. THINK BML.
