CST PROTECTING THE KEHILLA

The majority of CST's funding comes from private donations from across the community

CST has a suggested list of several commercial security guarding companies available to our mosdos

Commercial security guards are SIA licensed, and are briefed by CST to have an understanding of the Kehilla and counter-terrorism

CST's National Security Control Centre is connected to schools and mosdos, serving to protect the Kehilla

CST's security volunteers continue to grow in number

CST liaises with community partners and police for the security of the Kehilla
